H.C.R. 80 AND H.R. 65

URGING STATE EXECUTIVE DEPARTMENTS TO REVIEW MINIMUM QUALIFICATIONS AND COMPENSATION FOR CLASS SPECIFICATIONS FOR JOB POSTINGS AND PROVIDE SUGGESTIONS TO THE DEPARTMENT OF HUMAN RESOURCES DEVELOPMENT.

Chair Aquino, Vice Chair Moriwaki, and Members of the Committee, thank you for the opportunity to submit testimony on H.C.R. 80 and H.R. 65.

The Department of Accounting and General Services (DAGS) offers testimony in **support** of H.R. 65 and H.C.R. 80 which urges state executive departments to review minimum qualifications, compensation, and to suggest alternative qualifications that can be used in lieu of a degree. We have found the Department of Human Resources Development (DHRD) to be receptive, in the past, to our recommendations and we look forward to continuing to work closely with them as we move forward.

The department is hopeful that, through measures such as this, we will be able to

increase the opportunity to recruit and hire qualified individuals capable of filling the growing vacancies throughout our operations. We see this as a natural progression as departments currently have the authority to screen internal applicants for internal job postings. This expansion would provide additional opportunities to share meaningful suggestions and feedback for improvement to current processes. We would also like to note that DAGS actively participates in DHRD's WikiWiki pilot program that allows for DAGS to screen application intake from DHRD for certain hard-to-fill positions.

Thank you for the opportunity to submit testimony on this matter.
