Statement of
Daniel E. Orodener
Executive Officer
State Land Use Commission

Before the
Senate Committee on Government Operations

Tuesday February 13, 2024
4:00 PM
State Capitol, Room 415 and Video Conference

In consideration of
SB 2200
RELATING TO ADMINISTRATIVE PROCEDURE

Chair McKelvey; Vice Chair Gabbard; and members of the Senate Committee on Government Operations:

The proposed measure would provide that a maximum time period to grant or deny a business or development-related permit, license, or approval would only apply if a request for a contested case had not been filed.

The Land Use Commission (LUC) would recommend the addition of the following language "...or is required by law" after "...a contested case has not been filed". We believe that would provide clarity that existing statutory timeframes where contested case proceedings are required would remain in place.

Thank you for the opportunity to testify on this matter.
