**RE: S.B. 221, S.D. 1; MAKING AN APPROPRIATION TO THE DEPARTMENT OF THE PROSECUTING ATTORNEY OF THE CITY AND COUNTY OF HONOLULU.**

Chair Tarnas, Vice-Chair Takayama and members of the House Committee on Judiciary and Hawaiian Affairs, the Department of the Prosecuting Attorney of the City and County of Honolulu (“Department”) submits the following testimony in **strong support** of S.B. 221, S.D. 1. This bill is part of the Department's 2023 legislative package, and we thank you for hearing it.

The purpose of S.B. 221, S.D. 1 is to provide additional funding in the amount of **\$736,785**, to maintain the current level of service for the Department’s Victim Witness Kokua Services (“VWKS”) Unit. This is the remaining balance between actual costs, and costs covered by federal funds, funding from the Department of the Attorney General, and the funding from the City and County of Honolulu. VWKS advocates assist in guiding victims, witnesses and/or surviving family members through the criminal justice system—before, during, & after criminal prosecution of a case—and are specifically trained & qualified to do so.

Historically, the Legislature has supported the Victim Witness Assistance Program since 1983. In 1986, the Legislature enacted HRS §28-111, which established the Victim Witness Assistance program on a statewide basis. While the statute established this program within the Department of the Attorney General, all direct services are provided by each county’s prosecuting attorney, in order to provide the most up-to-date information, assistance, funding, and support services to the crime victims and witnesses in their respective counties. Adequate funding is necessary for our Department to be able to continue these vital services.

For all of the foregoing reasons, the Department of the Prosecuting Attorney of the City and County of Honolulu **strongly supports** the passage of S.B. 221, S.D. 1. Thank you for the opportunity to testify on this matter.

Chair Tarnas and Members of the Committee:

The Department of the Attorney General supports this measure, provided that its passage does not replace or adversely impact the priorities indicated in our executive budget. This bill would provide funds to support the victim witness assistance services provided by the Department of the Prosecuting Attorney, City and County of Honolulu.

The Department of the Prosecuting Attorney, City and County of Honolulu, is one of the four recipients of the State Victim-Witness (VW) Assistance funds. The program funding has not been adjusted for inflation and the actual cost for program staff since 1995.

For the 28-year period covering fiscal years 1994-1995 to 2022-2023, State VW funding has steadily declined. For fiscal year 1994-1995, the State VW allocation was \$1,038,794 and the fiscal year 2022-2023 allocation is \$401,078.

The funding supports the Victim-witness assistance program as established by section 28-111, Hawaii Revised Statutes (HRS). The funding would also support the Hawaii State Planning Act in chapter 226, HRS, specifically, section 226-22(b)(5), "efforts to prevent domestic abuse and child molestations and assist victims of abuse and neglect," and section 226-105, "[p]riority guidelines in the area of crime and criminal justice . . . (6) Increase public and private efforts to assist witnesses and victims of crimes and to minimize the costs of victimization."

The VW program administered by the Department of the Attorney General is to provide information, assistance, and support services to the victims of and witnesses to crimes committed in the State. This bill benefits the Department of the Attorney General by providing the Prosecuting Attorney with additional funding to assist victims and witnesses of crime in the City and County of Honolulu. We respectfully ask the Committee to pass this bill.

Thank you for the opportunity to provide testimony.
