2. The goals and objectives related to the request;
3. The public purpose and need to be served;
4. Describe the target population to be served; and
5. Describe the geographic coverage.

Applicant was incorporated as a Hawaii nonprofit corporation 12/08/23, received a Federal Tax ID 12/18/2023 and received a State Tax ID 01/18/2024.

Applicant was incorporated to continue the work of the Korean War Veterans Association, Inc. Hawaii Chapter #1 and continue the legacy of the Korean War.

Goal and objectives is to implement Act 323 H.B. No. 3658 Act Relating to Veterans War Memorials. The Hawaii State Legislature in 1992 passed H.B. No. 3658. There are seven (7) sections to this bill that became Act 323.

SECTION 1. The memorial to the veterans of the Korean and Vietnam conflicts shall be constructed on the Ewa lawn of the state capitol among the trees near the Richards Street border, bounded on one side by the covered stairway (with appropriate setback), Richards Street (with appropriate setback), and Beretania Street (with appropriate setback). The height of the memorial shall not exceed 20 feet, keeping in proportion with other statuary located in the immediate area. The design of the memorial shall utilize the natural assets of the site, with secluded areas of wall and trees for purposes of remembrance and meditation.

This Korean And Vietnam War Memorials is an eye sore. It is in very poor condition. The trees have overgrown the war memorials. The ground level roots from the trees make it very dangerous to walk around the war memorials. The plant debris needs to be cleaned on a daily basis. The irrigation system and landscaping was pulled out by the homeless people and other people. Homeless people use the area. There is human waste on the sidewalk and around the war memorials. There are used hypodermic needles around the war memorials. The lettering was taken off in 2024 because there were being stolen. Rocks from the rock wall have been stolen.

We have applied for a Right Of Entry with the state Department of Accounting General Services to properly maintain the war memorials. We are currently cleaning the war memorials every Monday.

The war memorials need repairs, maintenance & landscaping, walls & fencing and lighting & security monitors.

Goal and objectives is to continue the work of the Korean War Veterans Association, Inc. Hawaii Chapter #1 and continue the legacy of the Korean War.

Applicant is a new nonprofit open to new ways of doing things and will find innovative and entrepreneurial ways to achieve it's goals and objectives.

The world is global. Hawaii is part of the global marketplace. The Korean War ties Hawaii to Korea. The Korean War ties Hawaii to Asia and the World. There are a lot of opportunities for Hawaii to think global.

The first target population are the Korean War Veterans and Korean War Veterans families & friend. What is the Hawaii Story? What was Hawaii's Role in the Korean War? Why were there so many fatal and non-fatal casualties and so few medal of honor winners? Were these Korean Veterans the same as the World War II Veterans that never spoke about the war?

The second target population are the members of the community, businesses and government that can benefit from learning about the Korean War Veterans and Korean War.

The third target population are the children in grade school and high school that will benefit from learning at the Korean War Veterans and Korean War.

The fourth target populations are the Asia Pacific communities that can learn how to work together. Geographic coverage is statewide.
