THE THIRTIETH LEGISLATURE
APPLICATION FOR GRANTS
CHAPTER 42F, HAWAII REVISED STATUTES

Type of Grant Request:

Operating

Capital

Legal Name of Requesting Organization or Individual: DbA:

Lucky Paws Animal Foundation

Amount of State Funds Requested: \$ 60,000

Brief Description of Request (Please attach word document to back of page if extra space is needed):

Lucky Paws Animal Foundation is seeking to further the mission of reducing the population of community cats through a comprehensive Trap-Neuter-Release-Manage (TNRM) approach. Our efforts include identifying and sterilizing feral and free-roaming cats to prevent uncontrolled breeding, while also removing adoptable cats from the environment. These friendly animals are transported off island to mainland rescue partners where they can find permanent homes.

In addition to direct intervention, we focus on community engagement by recruiting and training local volunteers to actively participate in spay and neuter initiatives within their neighborhoods. This collaborative effort benefits the island-wide ecosystem by addressing the root cause of overpopulation, reducing strain on wildlife, and promoting a healthier coexistence between cats and their environment. Funding will enable us to expand these impactful programs and make measurable progress toward a sustainable solution for managing community cats in Hawaii.

Department of Commerce and Consumer Affairs

CERTIFICATE OF GOOD STANDING

I, the undersigned Director of Commerce and Consumer Affairs
of the State of Hawaii, do hereby certify that

LUCKY PAWS ANIMAL FOUNDATION

was incorporated under the laws of Hawaii on 09/08/2020 ;
that it is an existing nonprofit corporation; and that,
as far as the records of this Department reveal, has complied
with all of the provisions of the Hawaii Nonprofit Corporations
Act, regulating domestic nonprofit corporations.

IN WITNESS WHEREOF, I have hereunto set
my hand and affixed the seal of the
Department of Commerce and Consumer
Affairs, at Honolulu, Hawaii.

Dated: January 16, 2025

Director of Commerce and Consumer Affairs

**DECLARATION STATEMENT OF
APPLICANTS FOR GRANTS PURSUANT TO
CHAPTER 42F, HAWAII REVISIED STATUTES**

The undersigned authorized representative of the applicant certifies the following:

- 1) The applicant meets and will comply with all of the following standards for the award of grants pursuant to Section 42F-103, Hawaii Revised Statutes:
 - a) Is licensed or accredited, in accordance with federal, state, or county statutes, rules, or ordinances, to conduct the activities or provide the services for which a grant is awarded;
 - b) Complies with all applicable federal and state laws prohibiting discrimination against any person on the basis of race, color, national origin, religion, creed, sex, age, sexual orientation, or disability;
 - c) Agrees not to use state funds for entertainment or lobbying activities; and
 - d) Allows the state agency to which funds for the grant were appropriated for expenditure, legislative committees and their staff, and the auditor full access to their records, reports, files, and other related documents and information for purposes of monitoring, measuring the effectiveness, and ensuring the proper expenditure of the grant.
- 2) If the applicant is an organization, the applicant meets the following requirements pursuant to Section 42F-103, Hawaii Revised Statutes:
 - a) Is incorporated under the laws of the State; and
 - b) Has bylaws or policies that describe the manner in which the activities or services for which a grant is awarded shall be conducted or provided; and
- 3) If the applicant is a non-profit organization, it meets the following requirements pursuant to Section 42F-103, Hawaii Revised Statutes:
 - a) Is determined and designated to be a non-profit organization by the Internal Revenue Service; and
 - b) Has a governing board whose members have no material conflict of interest and serve without compensation.
- 4) The use of grant-in-aid funding complies with all provisions of the Constitution of the State of Hawaii (for example, pursuant to Article X, section 1, of the Constitution, the State cannot provide "... public funds ... for the support or benefit of any sectarian or nonsectarian private educational institution...").

Pursuant to Section 42F-103, Hawaii Revised Statutes, for grants used for the acquisition of land, when the organization discontinues the activities or services on the land acquired for which the grant was awarded and disposes of the land in fee simple or by lease, the organization shall negotiate with the expending agency for a lump sum or installment repayment to the State of the amount of the grant used for the acquisition of the land.

Further, the undersigned authorized representative certifies that this statement is true and correct to the best of the applicant's knowledge.

Application for Grants

If any item is not applicable to the request, the applicant should enter "not applicable".

I. Certification – Please attach immediately after cover page

1. Hawaii Compliance Express Certificate (If the Applicant is an Organization)

If the applicant is an organization, the applicant shall submit one (1) copy of a Hawaii Compliance Express Certificate from the Comptroller of the Department of Accounting and General Services that is dated no earlier than December 1, 2024.

Certificate of Good Standing - ATTACHED

2. Declaration Statement

The applicant shall submit a declaration statement affirming its compliance with [Section 42F-103, Hawaii Revised Statutes](#).

Declaration Statement - ATTACHED

3. Public Purpose

The applicant shall specify whether the grant will be used for a public purpose pursuant to [Section 42F-102, Hawaii Revised Statutes](#).

If awarded, the requested grant funds will be used for a public purpose pursuant to Section 42F-102, Hawaii Revised Statutes. The grant will support efforts to address and manage feral and community cat populations through TNRM (Trap-Neuter-Return-Manage) and the humane relocation of adoptable cats to mainland rescue partners, with a focus on reducing public health and environmental concerns such as the spread of Toxoplasmosis Gondii, which affects endangered Hawaiian monk seals, and protecting native bird populations by removing cats from critical habitats and nesting ecosystems.

II. Background and Summary

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

1. A brief description of the applicant's background;

Lucky Paws Animal Foundation, a 501(c)(3) nonprofit organization, was established in 2020 to tackle the pressing issue of feral and community cat overpopulation on Oahu, with an emphasis on removing animals from sensitive ecological areas. Lucky Paws also takes requests from local residents who are experiencing nuisance behavior such as urinating, fighting, or loud vocalizing. What began as localized efforts in a few neighborhoods has grown into a comprehensive, island-wide mission to humanely manage and reduce these populations. In recent years, Lucky Paws has significantly expanded its reach, conducting TNRM (Trap-Neuter-Return-Manage) operations across Oahu, collaborating with community partners all over the island.

2. The goals and objectives related to the request;

- **Goal 1:** *Expand TNRM efforts to stabilize and reduce feral and community cat populations across Oahu, particularly in environmentally sensitive areas.*
 - *Objective: Increase the number of sterilizations through partnerships with local veterinarians and community outreach.*
- **Goal 2:** *Facilitate the humane relocation of adoptable cats to mainland rescue partners.*
 - *Objective: Enhance logistical capacity for transport and coordination with out-of-state shelters.*
- **Goal 3:** *Educate the public on responsible pet ownership and the importance of TNRM.*
 - *Objective: Host workshops, train volunteers in TNRM, provide resources, and foster community involvement.*

3. The public purpose and need to be served;

The overpopulation of feral and community cats on O`ahu presents significant challenges to public health, the environment, and native species. Addressing this issue requires a collaborative and multifaceted approach. Lucky Paws Animal Foundation promotes Trap-Neuter-Return-Manage (TNRM) as a humane and effective solution to stabilize and reduce cat populations over time. By sterilizing and vaccinating cats, TNRM prevents new litters, minimizes nuisance behaviors associated with mating, and mitigates health risks to the community.

*Adopting to local families as well as relocating adoptable cats to mainland rescue partners is another critical component, alleviating pressure on local shelters and giving animals a second chance at finding permanent homes. This dual approach of TNRM and adoption/relocation directly supports public health efforts by reducing the spread of diseases like *Toxoplasma gondii*, while also protecting native birds by removing cats from sensitive ecological areas.*

Expanding community education, advocacy, and resources for these programs is vital to their success. Empowering individuals and fostering collaboration among government agencies, conservationists, and animal welfare groups ensures long-term solutions that align with the state's goals of environmental conservation, public health improvement, and humane animal management. Lucky Paws Animal Foundation is committed to preserving Hawaii's unique ecosystems and creating a healthier balance between people, wildlife, and community cats.

4. Describe the target population to be served; and

The primary beneficiaries of this program are:

- Local residents, who will benefit from decreased nuisance behaviors associated with feral and community cats.*
- Wildlife and ecosystems, including native birds and the Hawaiian monk seal. Reduction of community cat numbers will help protect native wildlife.*
- Adoptable cats, who will be provided with opportunities for loving homes through relocation efforts.*
- Feral and community cat colonies across Oahu, which will experience reduced populations.*

5. Describe the geographic coverage.

This program will serve the entire island of Oahu, with a focus on areas experiencing high concentrations of feral and community cat colonies and near ecosystems at risk from invasive predators.

III. Service Summary and Outcomes

The Service Summary shall include a detailed discussion of the applicant's approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

1. Describe the scope of work, tasks and responsibilities;

-Conduct island-wide TNRM operations, targeting areas with high feral and community cat populations & areas of ecological importance.

-Partner with local veterinarians and rescue groups to increase sterilization capacity.

-Coordinate transportation and logistics for local adoption and relocation of friendly cats to mainland rescue partners.

-Organize educational workshops and community engagement events to promote responsible pet ownership and the benefits of TNRM.

-Implement targeted removal of cats from environmentally sensitive areas, such as nesting sites for native birds, harbors and shorelines, to protect fragile ecosystems.

2. Provide a projected annual timeline for accomplishing the results or outcomes of the service;

***-Quarter 1:** Identify high-need areas and initiate TNRM efforts. Develop partnerships with additional veterinarians and rescue organizations. Continue TNRM operations from previous years.*

***-Quarter 2:** Conduct intensive TNRM operations during peak breeding seasons. Begin logistics for cat relocation efforts.*

***-Quarter 3:** Expand community education initiatives. Monitor and evaluate program outcomes.*

***-Quarter 4:** Analyze data, prepare reports, and solidify plans for sustainability beyond the funding period.*

3. Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and

Lucky Paws Animal Foundation will ensure transparent and accountable management of grant-funded activities through regular board meetings, where progress reports will be reviewed, and any updates to strategies or objectives will be discussed. The Lucky Paws will maintain detailed records of TNRM operations, including the number of cats trapped, sterilized, vaccinated, and returned. Additionally, Lucky Paws will track the number of cats adopted on island, cats relocated to mainland rescue partners and their adoption outcomes. Data collection and mapping will be integral to the program's success. Mapping will be used to track progress and outcomes, enabling easier identification of hotspot areas where trapping efforts are most needed. This data-driven approach will ensure that resources are directed to the areas with the highest impact potential, allowing for more efficient and effective TNRM operations.

4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount included in this application that the

measure(s) of effectiveness will need to be updated and transmitted to the expending agency.

The effectiveness of the program will be measured using a combination of quantitative and qualitative metrics that align with the grant's objectives. These metrics will be reported to the State agency on a quarterly basis to provide a clear, objective assessment of the program's achievements. Measures of effectiveness include:

- **Number of Cats TNR'd per week:** Weekly tracking of cats trapped, sterilized, vaccinated, and returned, with the goal of increasing sterilizations as private veterinarian support expands.
- **Reduction in Feral Cat Population Sizes:** Data-driven monitoring of population sizes in targeted areas, supported by Geographic Information System (GIS) mapping to identify hotspots and track population trends.
- **Increase in Sterilized, Adopted, and Relocated Cats:** Documenting the number of cats successfully sterilized and locally adopted vs. relocated to mainland rescue partners, along with their adoption outcomes.
- **Community Engagement Metrics:** Tracking workshop attendance, volunteer participation, and feedback from surveys to gauge the community's involvement and support for the program.
- **Colony Health and Welfare:** Monitoring reports to assess improvements in the health and welfare of managed colonies, including reductions in disease prevalence and nuisance behaviors.
- **Environmental Impact:** Evidence of decreased cat presence in environmentally sensitive areas and positive impacts on native species populations, such as increased nesting success rates for native birds.

These comprehensive metrics will provide a standard and objective framework for evaluating the program's success and ensuring transparency and accountability for the use of grant funds.

IV. Financial

Budget

1. The applicant shall submit a budget utilizing the enclosed budget forms as applicable, to detail the cost of the request.
 - a. Budget request by source of funds ([Link](#))
 - b. Personnel salaries and wages ([Link](#))
 - c. Equipment and motor vehicles ([Link](#))
 - d. Capital project details ([Link](#))
 - e. Government contracts, grants, and grants in aid ([Link](#))

2. The applicant shall provide its anticipated quarterly funding requests for the fiscal year 2026.

Quarter 1	Quarter 2	Quarter 3	Quarter 4	Total Grant
\$15,000	\$15,000	\$15,000	\$15,000	\$60,000

3. The applicant shall provide a listing of all other sources of funding that they are seeking for fiscal year 2026.

Lucky Paws Animal Foundation is supported by contributions from private donors and will actively pursue additional funding through other grant and sponsorship opportunities.

4. The applicant shall provide a listing of all state and federal tax credits it has been granted within the prior three years. Additionally, the applicant shall provide a listing of all state and federal tax credits they have applied for or anticipate applying for pertaining to any capital project, if applicable.

Not Applicable

5. The applicant shall provide a listing of all federal, state, and county government contracts, grants, and grants in aid it has been granted within the prior three years and will be receiving for fiscal year 2026 for program funding.

Not Applicable

6. The applicant shall provide the balance of its unrestricted current assets as of December 31, 2024.

As of Dec. 31, 2024, the balance of unrestricted funds is \$10,000

V. Experience and Capability

1. Necessary Skills and Experience

The applicant shall demonstrate that it has the necessary skills, abilities, knowledge of, and experience relating to the request. State your experience and appropriateness for providing the service proposed in this application. The applicant shall also provide a listing of verifiable experience of related projects or contracts for the most recent three years that are pertinent to the request.

Lucky Paws Animal Foundation has extensive experience and demonstrated success in TNRM (Trap-Neuter-Return-Manage) and the humane management of feral and community cat populations. Over the past three years, Lucky Paws has:

- Conducted thousands of sterilizations in partnership with local veterinarians and community partners.*
- Coordinated the relocation of hundreds of adoptable cats to mainland rescue partners, ensuring their successful rehoming.*
- Provided comprehensive medical care for sick and injured cats, including surgical interventions and post-operative recovery.*
- Fostered and adopted out thousands of cats and kittens, providing them with a second chance at life in loving homes.*
- Collaborated with elementary schools, conservation groups, and media outlets, contributing to community involvement.*

These accomplishments highlight Lucky Paws' ability to implement scalable and sustainable solutions to reduce cat overpopulation while addressing public health and environmental concerns. Collaborations with organizations like the Hawaiian Humane Society, Oahu Animal Welfare Alliance, Kat Charities, Aloha Kitty TNR, Hawaii Autobahn Society, NOAA, and various mainland rescues further demonstrate the foundation's ability to manage large-scale operations effectively.

2. Facilities

The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.

Lucky Paws operates a 2,050 sqft dedicated shelter facility equipped to house and care for cats undergoing TNRM, recovery, and adoption preparation. The facility is located at 2875 S King Street #102 and is strategically located near the Hawaiian Humane Society, the island's animal control provider. The facility includes:

- RESCUE SPACE: 31 Quarantine and medical areas for cats needing intensive care or post-operative recovery.*
- DEDICATED ADOPTION LOUNGES: Spacious enclosures for adoptable cats, ensuring their well-being while awaiting placement.*
- OFFICE: Administrative office to coordinate operations, logistics, and community engagement.*
- BOARDING: 38 individual suites of 3 sizes.*
- HYBRID SPACE: To act as a space for events, community engagement and training, and as a provisional adoption lounge for adult cats.*

Plans are in place to expand the facility's capacity, including the expansion of isolation areas for new intakes and enhanced boarding spaces. This will further improve the foundation's ability to handle large-scale TNRM efforts and support the community.

VI. Personnel: Project Organization and Staffing

1. Proposed Staffing, Staff Qualifications, Supervision and Training

The applicant shall describe the proposed staffing pattern and proposed service capacity appropriate for the viability of the request. The applicant shall provide the qualifications and experience of personnel for the request and shall describe its ability to supervise, train and provide administrative direction relative to the request.

Lucky Paws is a fully volunteer-operated organization with a dedicated team comprising the following roles:

- **Director:** *Steven Chris Thompson, overseeing all operations and ensuring alignment with the foundation's mission.*
- **TNRM Coordinator:** *Responsible for organizing trapping efforts, managing colony data, and coordinating veterinary appointments.*
- **Veterinary Technicians:** *Providing medical care and ensuring the health of cats undergoing TNRM.*
- **Volunteer Coordinator:** *Recruiting, training, and supervising community volunteers to support TNRM and adoption efforts.*
- **Foster Coordinator:** *Managing foster homes to ensure proper care for kittens and cats awaiting adoption.*
- **Flight Coordinator:** *Organizing logistics for relocating adoptable cats to mainland rescue partners.*

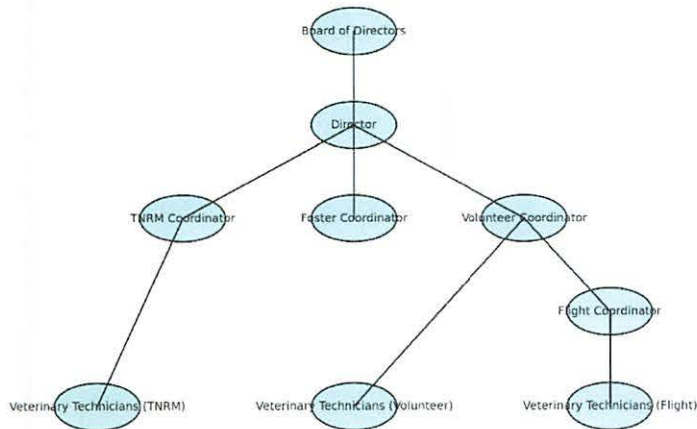

All volunteers undergo comprehensive training on safe animal handling, medical procedures, and community relations. This ensures consistent and effective operations while maintaining high standards of care and engagement.

2. Organization Chart

The applicant shall illustrate the position of each staff and line of responsibility/supervision. If the request is part of a large, multi-purpose organization, include an organization chart that illustrates the placement of this request.

An organizational chart illustrating the structure and roles within Lucky Paws Animal Foundation is below. This chart highlights the clear lines of responsibility and supervision that support efficient operations.

Organizational Chart: Lucky Paws Animal Foundation

3. Compensation

The applicant shall provide an annual salary range paid by the applicant to the three highest paid officers, directors, or employees of the organization by position title, not employee name.

Lucky Paws Animal Foundation operates entirely on volunteer support, and no salaries are paid to any of its members.

VII. Other

1. Litigation

The applicant shall disclose any pending litigation to which they are a party, including the disclosure of any outstanding judgement. If applicable, please explain.

Lucky Paws Animal Foundation has no pending litigation or outstanding judgments.

2. Licensure or Accreditation

The applicant shall specify any special qualifications, including but not limited to licensure or accreditation that the applicant possesses relevant to this request.

Lucky Paws is a 501(c)(3) nonprofit organization and adheres to all state and federal regulations governing animal welfare and nonprofit operations.

3. Private Educational Institutions

The applicant shall specify whether the grant will be used to support or benefit a sectarian or non-sectarian private educational institution. Please see [Article X, Section 1, of the State Constitution](#) for the relevance of this question.

This grant will not be used to support or benefit any private educational institution, sectarian or non-sectarian.

4. Future Sustainability Plan

The applicant shall provide a plan for sustaining after fiscal year 2026 the activity funded by the grant if the grant of this application is:

- (a) Received by the applicant for fiscal year 2026, but
- (b) Not received by the applicant thereafter.

To ensure the sustainability of activities funded by the grant, Lucky Paws has developed a comprehensive plan:

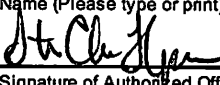

- **Diversified Funding Streams:** Continue leveraging private donations, fundraising events, and partnerships with local businesses to generate consistent revenue.
- **Volunteer Engagement:** Expand the volunteer base to reduce operational costs and enhance community involvement.
- **Fee-for-Service Model:** Introduce modest fees for boarding and adoption services to offset operational expenses.
- **Grant Applications:** Seek additional funding from local, state, and national grant opportunities to sustain and expand TNRM efforts.

These strategies, combined with the grant's immediate impact, will ensure that Lucky Paws can continue reducing feral and community cat populations while addressing public health and environmental concerns beyond fiscal year 2026.
