
A BILL FOR AN ACT

RELATING TO THE RENTAL HOUSING REVOLVING FUND.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The purpose of this Act is to establish the
2 rental housing revolving fund mixed-income subaccount and to
3 authorize the transfer of funds from the rental housing
4 revolving fund to the rental housing revolving fund mixed-income
5 subaccount.

6 SECTION 2. The legislature finds that the State has a
7 housing crisis and that, although general excise tax exemptions
8 and county subsidies help to reduce development costs, private
9 development of rental housing for households earning from sixty
10 up to one hundred forty per cent of the area median income is
11 not financially feasible without additional public subsidy.

12 The legislature also finds that, although funding is
13 appropriated annually to the rental housing revolving fund which
14 may be used to finance projects serving households earning up to
15 one hundred forty per cent of area median income, the revolving
16 funds are prioritized for federal and state low-income housing
17 tax credit financed projects that generally serve households
18 earning up to sixty per cent of the area median income. Because

H.B. NO. 1010

1 the demand for revolving fund financing from first-priority low-
2 income housing tax credit projects far exceeds funding
3 availability, mixed-income projects, including those with units
4 serving households earning up to one hundred forty per cent of
5 the area median income, are not able to use the revolving fund.

6 The legislature further finds that strategies are needed to
7 help keep local residents in the State. Having affordable
8 rental housing opportunities for working families reduces net
9 domestic outmigration and preserves critical segments of the
10 State's labor force.

11 Accordingly, the purpose of this Act is to provide a
12 dedicated source of funds to be used by the Hawaii housing
13 finance and development corporation to finance mixed-income
14 rental housing projects.

15 SECTION 3. Section 201H-202, Hawaii Revised Statutes, is
16 amended to read as follows:

17 "**§201H-202 Rental housing revolving fund.** (a) There is
18 established the rental housing revolving fund to be administered

4 housing project financed under the fund is refinanced or sold at
5 a later date. The rules may also provide that moneys from the
6 fund shall be leveraged with other financial resources to the
7 extent possible.

8 ~~[(e) Moneys]~~ (f) Except as provided in subsection (g),
9 moneys available in the fund shall be used for the purpose of

12 feasibility acceptable to the corporation in the following order
13 of priority:

14 (1) For projects that were awarded low-income housing

JUSTIFICATION SHEET

DEPARTMENT: Business, Economic Development, and Tourism

TITLE: A BILL FOR AN ACT RELATING TO THE RENTAL HOUSING REVOLVING FUND.

PURPOSE: To establish a separate Rental Housing Revolving Fund (RHRF) subaccount to make loans to Tier II mixed-income rental projects or units in a mixed-income rental project wherein all of the available units are for persons and families with incomes at or below 140 percent of the median family income and to authorize the Director of Finance to transfer moneys from the RHRF to the RHRF subaccount.

MEANS: Amend sections 201H-202 and 201H-204, Hawaii Revised Statutes. Provide authority in the Session Laws for the Director of Finance to transfer moneys from the RHRF to the RHRF subaccount.

JUSTIFICATION: RHRF currently has two priority funding groups. Due to limited funding, funds are generally only available for first priority, or "Tier I," projects or units for persons and families with incomes at or below sixty percent of the median family income. This bill is needed so that funding can be available for mixed-income rental projects or units, or Tier II, without the need for legislation to finance projects outside the first priority. The ability to fund Tier II projects in any given year will result in quicker funding and development of housing for those who need it. Tier II projects are able to charge higher rents, which allows loans to be paid and revolve more quickly.

Impact on the public: Greater access to housing for those who meet Tier II project criteria, thus slowing the outmigration of the State's workforce, young professionals, and tax base.

Impact on the department and other agencies:
Hawaii Housing Finance and Development Corporation will be able to hold targeted funding rounds for RHRF Tier II financing without requiring new legislation each time. This will allow developers to be more certain of funding availability and begin working on projects and preparing their project proposals. With earlier notification of funding availability, projects that are proposed and awarded funding will be more ready and break ground sooner after the award.

GENERAL FUND: None.

OTHER FUNDS: None.

PPBS PROGRAM
DESIGNATION: BED-160.

OTHER AFFECTED
AGENCIES: Department of Budget and Finance.

EFFECTIVE DATE: Upon approval.
