
A BILL FOR AN ACT

RELATING TO FIRE PROTECTION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that in the aftermath of
2 the August 2023 Lahaina wildfires, the department of the
3 attorney general initiated an investigation and retained the
4 independent, third-party Fire Safety Research Institute, part of
5 UL Research Institutes, to assess the performance of state and
6 county agencies in preparing for and responding to the August
7 2023 Lahaina wildfires. The investigation led to three reports
8 – a "Phase 1" comprehensive timeline report, a "Phase 2"
9 incident analysis report, and a "Phase 3" forward-looking
10 report.

11 The "Phase 3" forward-looking report organized these
12 findings and provided a prioritized list of action items for the
13 State and all counties for changes to be made to improve
14 Hawaii's response to wildfires. The report calls for changes
15 and improvements to the office of the state fire marshal, which
16 was established by Act 209, Session Laws of Hawaii 2024 – among
17 them, bolstering statutory authority of the office of the state
18 fire marshal to address the wide spectrum of fire safety issues,

H.B. NO. 1064

1 delineating responsibilities and reporting structures between
2 the state fire marshal and the state fire council, and creating
3 an organizational structure to immediately address the State's
4 fire-safety priorities effectively.

5 Accordingly, the purpose of this Act is to amend the laws
6 concerning the office of the state fire marshal to best
7 effectuate the recommendations of the "Phase 3" forward-looking
8 report.

9 SECTION 2. Chapter 132, Hawaii Revised Statutes, is

JUSTIFICATION SHEET

DEPARTMENT: Defense

TITLE: A BILL FOR AN ACT RELATING TO FIRE PROTECTION.

PURPOSE: To amend the laws concerning the Office of the State Fire Marshal to best effectuate the recommendations of the "Phase 3" Forward-Looking Report by Fire Safety Research Institute on the August 2023 Maui wildfires.

MEANS: Add seventeen new sections to chapter 132, Hawaii Revised Statutes (HRS), and amend sections 26-21, 76-16(b), 107-26, 107-28(a), 132-2, 132-3, 132-4, 132-4.5, 132-5, 132-6, 132-9, 132-10, 132-11, 132-12, 132-13, 132-16, 132-18(c), 291C-1, HRS, and section 2 of Act 209, Session Laws of Hawaii 2024.

JUSTIFICATION: In the aftermath of the August 2023 Lahaina wildfires, the Department of the Attorney General initiated an investigation and retained the independent, third-party Fire Safety Research Institute, part of UL Research Institutes, to assess the performance of state and county agencies in preparing for and responding to the August 2023 Maui wildfires. The investigation led to three reports – a "Phase 1" Comprehensive Timeline report, a "Phase 2" Incident Analysis Report, and a "Phase 3" Forward-Looking Report.

The "Phase 3" Forward-Looking Report organized these findings and provided a prioritized list of action items for the State and all counties for changes to be made to improve Hawaii's response to wildfires. The report calls for changes and improvements to the Office of the State Fire Marshal, which was established by Act 209, Session Laws of Hawaii 2024 – among them, bolstering statutory authority of the Office of the State Fire Marshal to address the wide spectrum of fire safety issues, delineating responsibilities and reporting

structures between the State Fire Marshal and the State Fire Council, and creating an organizational structure to immediately address the State's fire-safety priorities effectively.

Impact on the public: The clarification of the role of the State Fire Marshal and the uniformity of the State Fire Codes compliance will increase the readiness and resilience of the State against fire-related disasters.

Impact on the department and other agencies: The bill will transfer the Office of the State Fire Marshal and the State Fire Council from the Department of Labor and Industrial Relations to the Department of Defense.

OTHER FUNDS: None.
