JUSTIFICATION SHEET

DEPARTMENT: Education

TITLE: A BILL FOR AN ACT RELATING TO EDUCATION.

PURPOSE: Provide \$3,000,000 in each fiscal year of 2025-2026 and 2026-2027 for teacher-requested classroom supplies.

MEANS: Appropriate general funds.

JUSTIFICATION: Teachers often spend an average of five hundred dollars of their own money each school year on classroom supplies to support student learning. This bill addresses that financial burden by appropriating funds for teacher-requested supplies. Previously, the Department received a procurement exemption to partner with a 501(c)(3) organization that provided matching funds, doubling the financial resources available to support teachers' projects. The Department intends to seek another procurement exemption so that it can use the appropriations requested in this bill to again partner with this 501(c)(3) organization, doubling the financial impact.

Impact on the public: With increased funding and matching resources, teachers can better meet student needs, which enhances educational outcomes. This investment in classroom support contributes to a stronger, more effective educational system, benefiting students, families, and the broader community.

Impact on the department and other agencies: The bill allows the Department to maximize the reach and impact of available resources.

GENERAL FUND: \$3,000,000 in fiscal year 2025-2026.  
\$3,000,000 in fiscal year 2026-2027.

OTHER FUNDS: None.

PPBS PROGRAM  
DESIGNATION: EDN 100.

OTHER AFFECTED
