
A BILL FOR AN ACT

RELATING TO PROCUREMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that a well-trained
2 workforce is essential for the State's economic growth and the
3 successful construction of public buildings, infrastructure, and
4 other development projects.

5 Therefore, the purpose of this Act is to require
6 contractors and subcontractors bidding on public works projects
7 to utilize apprentices in state-registered apprenticeship
8 programs, thereby further incentivizing bidders to participate
9 in state-registered apprenticeship programs, and guaranteeing a
10 steady supply of trained labor.

11 SECTION 2. Section 103-55.6, Hawaii Revised Statutes, is
12 amended as follows:

13 1. By amending subsection (a) to read:

14 "(a) A governmental body, as defined in section 103D-104,
15 that enters into a public works contract under this chapter
16 having an estimated value of not less than \$250,000, shall
17 ~~[decrease the bid amount of a bidder by five per cent if the~~

1 ~~bidder is a party to an apprenticeship agreement registered with~~
2 ~~the department of labor and industrial relations for each~~
3 ~~apprenticeable trade the bidder will employ to construct the~~
4 ~~public works, and in conformance with chapter 372.] apply a five~~
5 ~~percent bid preference if the bidder and subcontractors utilized~~
6 ~~by the bidder are parties to all registered apprenticeship~~
7 ~~agreements for the apprenticeable trades to construct the~~
8 ~~project pursuant to chapter 372, and approved by the department~~
9 ~~of labor and industrial relations. This requirement shall not~~
10 ~~apply to contractors or subcontractors employing trades or~~
11 ~~classifications for which no state-approved apprenticeship~~
12 ~~program exists.~~ The lowest total bid, taking the preference
13 into consideration, shall be awarded the contract unless the
14 solicitation provides for additional award criteria. The
15 contract amount awarded, however, shall be the amount of the
16 price offered, exclusive of the preference."

17 2. By amending subsection (c) to read:

18 "(c) At the time of submission of a competitive sealed bid
19 or a competitive sealed proposal by a bidder, the bidder shall
20 furnish written proof ~~[of]~~ that either it or its subcontractors
21 being a party to a registered apprenticeship agreement for

1 ~~[each]~~ all apprenticeable ~~[trade]~~ trades the bidder ~~[will employ~~
2 ~~to construct the public works]~~ or the bidder's subcontractors
3 will perform work for which a state-approved apprenticeship
4 program exists and the bidder will utilize to construct the
5 public works and, if awarded the contract, shall continue to
6 certify monthly in writing that the bidder ~~[is a party]~~ and the
7 bidder's subcontractors are parties to a registered
8 apprenticeship agreement for ~~[each]~~ the apprenticeable ~~[trade~~
9 ~~the bidder will employ]~~ trades they utilize to construct the
10 public works for the entire duration of the bidder's work on the
11 project. This subsection shall be deemed to be incorporated
12 into a public works contract. A bidder who is awarded a
13 contract shall be subject to the following sanctions if, after
14 commencement of work, the bidder at any time during the
15 construction is no longer a party to a registered apprenticeship
16 agreement for each apprenticeable trade the bidder will employ
17 to construct the public works:

18 (1) Temporary or permanent cessation of work on the
19 project, without recourse to breach of contract claims
20 by the bidder; provided that the governmental body
21 shall be entitled to restitution for nonperformance or

1 liquidated damages, or to find the contractor in
2 default, as appropriate; or

3 (2) Proceedings to debar or suspend under section 103D-
4 702."

5 SECTION 3. Statutory material to be repealed is bracketed
6 and stricken. New statutory material is underscored.

7 SECTION 4. This Act shall take effect on July 1, 3000.
