## A BILL FOR AN ACT

RELATING TO DEPARTMENT OF EDUCATION PROCUREMENT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that as the largest  
2 department in the State with two hundred ninety-five schools and  
3 forty-two thousand salaried and part-time employees, the  
4 department of education must procure voluminous amounts of goods  
5 and services to run its operation. However, the department's  
6 small purchase procurement capacity is limited to under \$25,000  
7 per twelve-month period, positioning the department as the only  
8 state department to not receive an increase threshold of  
9 \$100,000 for small purchase procurement.

10           The legislature further finds that the department of  
11 education is mandated to provide at least thirty per cent  
12 locally sourced foods to Hawaii's public schools by 2030.  
13 Increasing the department's small purchase procurement capacity  
14 for local edible produce and packaged food products will assist  
15 the department in fulfilling its mandate to provide locally  
16 sourced foods for the State's public schools.

1           The purpose of this Act is to temporarily adjust the  
2 department of education's small purchase procurement capacity  
3 by:

4           (1) Exempting purchases of local edible produce and  
5 packaged food products less than \$                    from the  
6 electronic procurement system requirement;

7           (2) Requiring no less than three written quotes for  
8 purchases of local edible produce and packaged food  
9 products of \$                    to less than \$                    ; and

10          (3) Requiring no less than two written quotes for  
11 purchases of local edible produce and packaged food  
12 products of \$                    to less than \$                    for  
13 certain schools in rural communities.

14          SECTION 2. Chapter 302A, Hawaii Revised Statutes, is  
15 amended by adding a new section to part V to be appropriately  
16 designated and to read as follows:

17           "§302A-           Local edible produce and packaged food products  
18 procurement; small purchases. Notwithstanding section 103D-  
19 305(c) and any other law to the contrary, procurements of less  
20 than \$                    for local edible produce and packaged food  
21 products for the department shall be exempt from the requirement

1 to conduct procurements through an electronic system and shall  
 2 instead be subject to no less than three written quotes for  
 3 procurements of \$ \_\_\_\_\_ to less than \$ \_\_\_\_\_ ; provided  
 4 that the department may allow for no less than two written  
 5 quotes for procurements of \$ \_\_\_\_\_ to less than  
 6 \$ \_\_\_\_\_ for local edible produce and packaged food products  
 7 to supply schools in rural communities, as determined by the  
 8 department; provided further that if the department is unable to  
 9 receive the required number of written notifications as required  
 10 by this section, written justification shall be provided and  
 11 kept by the department."

12 SECTION 3. New statutory material is underscored.

13 SECTION 4. This Act shall take effect on July 1, 2025, and  
14 shall be repealed on June 30, 2028.
