
A BILL FOR AN ACT

RELATING TO HOUSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that it is becoming
2 increasingly difficult to recruit and retain state employees.
3 Having affordable rental and homeownership opportunities for
4 state employees will reduce the resignation and outmigration of
5 state employees and fill critical labor needs throughout state
6 government.

7 The legislature further finds that with Honolulu's
8 construction of an elevated rail transit system, the State has
9 an opportunity to enhance Oahu's urban environment and increase
10 the quality of life for residents by increasing the affordable
11 housing inventory and eliminating the need for personal
12 automobiles, among other public benefits. As the largest
13 landowner of transit-oriented development sites along the
14 transit line in Honolulu, as well as being the landowner of
15 other transit-oriented development sites in each of the other
16 counties, the State and its various departments and attached
17 agencies must be proactive in establishing a unified vision and

1 approach toward redevelopment of its transit-oriented
2 development sites statewide to maximize the benefits of state
3 lands available for redevelopment.

4 The purpose of this Act is to establish within the Hawaii
5 housing finance and development corporation:

6 (1) A government employee housing revolving fund program
7 and an affordable ninety-nine year leasehold rent-to-
8 own program to facilitate the creation of low-cost
9 rental and leasehold residential condominium units for
10 rent and sale to government employees on state-owned
11 land; and

12 (2) A government employee housing revolving fund to
13 provide interim and permanent financing for the
14 infrastructure, pre-development, development, and
15 construction costs of projects developed under the
16 affordable rental housing and affordable ninety-nine
17 year leasehold rent-to-own programs.

18 SECTION 2. Chapter 201H, Hawaii Revised Statutes, is
19 amended by adding a new part to be appropriately designated and
20 to read as follows:

4 annual report to the legislature no later than twenty days prior
