
A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF LAND AND NATURAL RESOURCES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the people of Hawaii
2 have significant concerns about the effects of over-tourism,
3 including on the environment. The legislature further finds
4 that there is a proliferation of rental kayaks and stand-up
5 paddleboards statewide. The legislature also finds that it is
6 beneficial for the residents and natural resources of the State
7 to regulate commercial rentals where the park itself is the
8 location of the watercraft activity. The legislature
9 additionally finds that Wailua river state park on Kauai,
10 Kealakekua bay state historic park on Hawaii island, and Ahupuaa
11 O Kahana state park on Oahu are the only navigable waters within
12 a state park.

13 Therefore, the purpose of this Act is to require the
14 registration and numbering of rental watercraft before they are
15 provided or offered to the public for transiting the navigable
16 waters of a state park.

1 SECTION 2. Chapter 184, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§184- Registration required for rental watercraft;
5 registration number; fees. (a) Beginning January 1, 2026, no
6 person shall provide or offer to provide a rental watercraft to
7 the public for transiting the navigable waters of a state park,
8 unless the rental watercraft is registered and numbered with the
9 division of state parks of the department in accordance with
10 rules adopted by the department pursuant to chapter 91 or
11 authorized by a special use permit.

12 (b) Beginning January 1, 2026, every rental watercraft
13 provided or offered for rent to the public for transiting the
14 navigable waters of a state park shall have a registration
15 number affixed to the rental watercraft.

16 (c) The department may establish reasonable fees for the
17 initial registration, annual renewal registration, and ancillary
18 decals in accordance with rules adopted pursuant to chapter 91.

19 (d) As used in this section, "rental watercraft" means a
20 kayak or paddleboard that is rented or leased or offered for
21 rent or lease in the State for a period of one month or less."

H.B. NO. 1316

1 SECTION 3. New statutory material is underscored.

2 SECTION 4. This Act shall take effect on January 1, 2026.
