
A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF LAND AND NATURAL RESOURCES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the people of Hawaii
2 have significant concerns about the effects of over-tourism,
3 including impacts to the environment, and particularly the
4 proliferation of rental kayaks and stand-up paddleboards
5 statewide. The legislature further finds that it is beneficial
6 for the residents and natural resources of the State to regulate
7 commercial rentals where a state park itself is the location of
8 the watercraft activity. The legislature additionally finds
9 that Wailua river state park on Kauai, Kealakekua bay state
10 historic park on Hawaii island, and Ahupuaa O Kahana state park
11 on Oahu are the only navigable waters within a state park.

12 Therefore, the purpose of this Act is to require the
13 registration and numbering of rental vessels before they are
14 provided or offered to the public for transiting the navigable
15 waters of a state park.

1 SECTION 2. Chapter 184, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§184- Registration required for rental vessels;
5 registration number; fees. (a) Beginning January 1, 2026, no
6 person shall provide or offer to provide a rental vessel to the
7 public for transiting the navigable waters of a state park,
8 unless the rental vessel is registered and numbered with the
9 division of state parks of the department in accordance with
10 rules adopted by the department pursuant to chapter 91 or
11 authorized by a special use permit.

12 (b) Beginning January 1, 2026, every rental vessel
13 provided or offered for rent to the public for transiting the
14 navigable waters of a state park shall have a registration
15 number affixed to the rental vessel.

16 (c) The department may adopt rules pursuant to chapter 91
17 to establish conditions of use for rental vessels transiting the
18 navigable waters of a state park and reasonable fees for the
19 initial registration, annual renewal registration, and ancillary
20 decals of those rental vessels.

1 (d) As used in this section, "vessel" has the same meaning
2 as in section 200-6 and includes but is not limited to boats,
3 motorboats, houseboats, rowboats, powerboats, jet skis,
4 sailboats, fishing boats, towboats, scows, flatboats, cruisers,
5 motor vessels, ships, barges, tugs, floating cabanas, party
6 boats, charter boats, windsurfers, catamarans, ferryboats,
7 canoes, rafts, kayaks, stand-up paddleboards, or any similar
8 buoyant devices permitting or capable of free flotation."

9 SECTION 3. New statutory material is underscored.

10 SECTION 4. This Act shall take effect on July 1, 3000.
