
A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF LAND AND NATURAL RESOURCES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the people of Hawaii
2 have significant concerns about the effects of over-tourism,
3 including impacts to the environment, and particularly the
4 proliferation of rental kayaks and stand-up paddleboards
5 statewide. The legislature further finds that it is beneficial
6 for the residents and natural resources of the State to regulate
7 commercial rentals where a state park is the location of the
8 watercraft activity. The legislature additionally finds that
9 Wailua river state park on Kauai, Kealakekua bay state
10 historical park on Hawaii island, and Ahupuaa O Kahana state
11 park on Oahu are the only navigable waters within a state park.

12 Therefore, the purpose of this Act is to require:

13 (1) The registration and numbering of rental vessels
14 before they are rented or leased, or offered for rent
15 or lease, to the public for transiting the navigable
16 waters of a state park; and

1 (2) The registration fees to be deposited into the state
2 parks special fund.

3 SECTION 2. Chapter 184, Hawaii Revised Statutes, is
4 amended by adding a new section to be appropriately designated
5 and to read as follows:

6 **"§184- Registration required for rental vessels;**
7 **registration number; fees.** (a) Beginning January 1, 2026, no
8 person shall rent or lease, or offer for rent or lease, a vessel
9 to the public for transiting the navigable waters of a state
10 park, unless the rental vessel is registered and numbered with
11 the division of state parks of the department in accordance with
12 rules adopted by the department pursuant to chapter 91 or
13 authorized by a special use permit.

14 (b) Beginning January 1, 2026, every rental vessel rented
15 or leased, or offered for rent or lease, to the public for
16 transiting the navigable waters of a state park shall have a
17 registration number affixed to the rental vessel.

18 (c) The department may adopt rules pursuant to chapter 91
19 to establish conditions of use for rental vessels transiting the
20 navigable waters of a state park and reasonable fees for the
21 initial registration, annual renewal registration, and ancillary

1 decals of those rental vessels, to be deposited to the credit of
2 the state parks special fund.

3 (d) For the purposes of this section, "vessel" has the
4 same meaning as in section 200-6 and includes but is not limited
5 to barges, boats, canoes, catamarans, charter boats, cruisers,
6 ferryboats, fishing boats, flatboats, floating cabanas,
7 houseboats, jet skis, kayaks, motor vessels, motorboats, party
8 boats, powerboats, rafts, rowboats, sailboats, scows, ships,
9 stand-up paddleboards, towboats, tugs, windsurfers, or any
10 similar buoyant devices permitting or capable of free
11 flotation."

12 SECTION 3. Section 184-3.4, Hawaii Revised Statutes, is
13 amended by amending subsection (a) to read as follows:

14 "(a) There is established within the state treasury a fund
15 to be known as the state parks special fund, into which shall be
16 deposited all proceeds collected by the state parks programs
17 involving park user fees, any leases or concession agreements,
18 any fees collected pursuant to section 184- , the sale of any
19 article purchased from the department to benefit the state parks
20 programs, or any gifts or contributions; provided that proceeds

1 derived from the operation of Iolani Palace shall be used to
2 supplement its educational and interpretive programs."

3 SECTION 4. New statutory material is underscored.

4 SECTION 5. This Act shall take effect on July 1, 2040.
