
A BILL FOR AN ACT

RELATING TO MEDICAL SCHOOL TUITION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii is currently
2 experiencing a shortage of nearly eight hundred physicians.

3 The legislature further finds that in recent years, the
4 university of Hawaii John A. Burns school of medicine has
5 admitted seventy-seven new entrants per year, consisting of
6 sixty-seven Hawaii residents and ten out-of-state residents.
7 For the 2025-2026 academic year, expected Hawaii resident
8 tuition will be \$36,372 and out-of-state tuition will be
9 \$71,328.

10 The legislature also finds that only about half of the
11 individuals in each year's graduating class of the John A. Burns
12 school of medicine serve as a physician in Hawaii, whereas
13 approximately eighty per cent of the graduates who complete a
14 residency in Hawaii remain in Hawaii to serve as a physician.

15 The legislature believes that each graduate who benefits
16 from less expensive Hawaii resident tuition, which is subsidized
17 by the tens of millions of dollars in general funds appropriated

1 to the John A. Burns school of medicine by the legislature each
2 year, should be committed to using their medical knowledge for
3 the benefit of Hawaii.

4 The purpose of this Act is to require each graduate of the
5 university of Hawaii John A. Burns school of medicine who
6 benefitted from Hawaii resident tuition to commit to serving as
7 a physician in Hawaii for two years following a residency or
8 fellowship.

9 SECTION 2. Chapter 304A, Hawaii Revised Statutes, is
10 amended by adding a new subpart to part II to be appropriately
11 designated and to read as follows:

9 submit a report on section 304A-A to the legislature no later
10 than twenty days prior to the convening of the regular session
11 of 2036 and every year thereafter. The report shall include
12 information on the number of individuals under section
13 304A-A(a), separated by year of graduation, who:

20 section 304A-B."

1 SECTION 3. In codifying the new sections added by section
2 2 of this Act, the revisor of statutes shall substitute
3 appropriate section numbers for the letters used in designating
4 the new sections in this Act.
