# A BILL FOR AN ACT

RELATING TO SCHOOL IMPACT FEES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the existing  
2 governance structure of the school impact fee program is  
3 misaligned. The school facilities authority is responsible for  
4 administering the school impact fee program. Therefore, it is  
5 appropriate that the school facilities authority board be the  
6 governing entity overseeing the program rather than the board of  
7 education.

8           The purpose of this Act is to improve the alignment of the  
9 school impact fee program's governance structure by placing  
10 oversight of the program under the school facilities authority  
11 board.

12           SECTION 2. Section 302A-1602, Hawaii Revised Statutes, is  
13 amended by adding a new definition to be appropriately inserted  
14 and to read as follows:

15           ""Board" means the school facilities authority board  
16 established by section 302A-1704."

1           SECTION 3. The school facilities authority board shall  
2 carry out the processes and procedures as conducted by the board  
3 of education to dissolve a school impact district designated  
4 pursuant to section 302A-1604, Hawaii Revised Statutes, upon the  
5 transfer of oversight of the school impact fee program from the  
6 board of education to the school facilities board.

7           SECTION 4. New statutory material is underscored.

8           SECTION 5. This Act shall take effect on July 1, 3000.

**Report Title:**
