
HOUSE RESOLUTION

REQUESTING THE DEPARTMENT OF HUMAN SERVICES TO APPLY FOR AND
IMPLEMENT THE ELDERLY SIMPLIFIED APPLICATION PROJECT IN THE
STATE.

1 WHEREAS, many low-income households struggle to purchase
2 food due to Hawaii's high cost of living and food prices; and
3

4 WHEREAS, the Supplemental Nutrition Assistance Program
5 (SNAP), formerly known as the Food Stamp Program, is crucial to
6 providing necessary food assistance to some of Hawaii's most
7 economically disadvantaged residents; and
8

9 WHEREAS, in Hawaii, SNAP supports over one hundred thirty
10 thousand individuals, bringing more than \$630,000,000 into the
11 State's economy each year; and
12

13 WHEREAS, these benefits help economically vulnerable
14 households meet their basic nutritional needs without
15 sacrificing their financial security; and
16

17 WHEREAS, the Elderly Simplified Application Project (ESAP)
18 is a demonstration project designed to boost SNAP enrollment
19 among low-income older adults ages sixty years or older by
20 tackling barriers to participation in SNAP; and
21

22 WHEREAS, ESAP enhances program efficiency, simplifies
23 benefit delivery by streamlining the application and
24 certification processes, waives the recertification interview
25 requirement, allows for greater flexibility in verification, and
26 extends the certification period to thirty-six months; and
27

28 WHEREAS, ESAP largely applies to households made up
29 entirely of older adults with no earned income, although certain
30 projects also include adults with disabilities who have no
31 earned income or allow children to be present in the household,
32 under certain conditions; and

WHEREAS, Hawaii does not participate in ESAP; and

WHEREAS, if Hawaii were to participate in ESAP, older adults in the State would face fewer barriers to accessing SNAP benefits, which could lead to increased enrollment among low-income seniors and an improvement to overall food security and health outcomes; now, therefore,

BE IT RESOLVED by the House of Representatives of the Thirty-third Legislature of the State of Hawaii, Regular Session of 2025, that the Department of Human Services is requested to apply for and implement the Elderly Simplified Application Project in the State; and

BE IT FURTHER RESOLVED that the Department of Human Services is requested to seek any necessary federal approvals or waivers to implement the Elderly Simplified Application Project in the State, including amending its rules, policies, and procedures; and

BE IT FURTHER RESOLVED that a certified copy of this Resolution be transmitted to Director of Human Services.
