# HOUSE RESOLUTION

REQUESTING THE DEPARTMENT OF TAXATION TO ESTABLISH A VACANT HOMES SURCHARGE TASK FORCE TO RESEARCH AND REPORT ON THE IMPACTS AND IMPLEMENTATIONS OF A GENERAL EXCISE TAX SURCHARGE ON VACANT HOMES.

1           WHEREAS, an increasing number of residential properties in  
2 Hawaii are being purchased as second homes and left largely  
3 unoccupied throughout the year, creating adverse impacts on  
4 local communities and the housing market; and

5  
6           WHEREAS, public infrastructure improvements made to areas  
7 surrounding vacant second homes contribute to the appreciation  
8 of property values, including the vacant homes, thereby  
9 requiring taxpayers to indirectly subsidize private real estate  
10 investments without commensurate economic returns to taxpayers;  
11 and

12  
13           WHEREAS, the lack of available housing for residents has  
14 contributed to rising home prices and rental costs, making it  
15 more difficult for families to secure affordable housing; and

16  
17           WHEREAS, vacant homes that are not part of the long-term  
18 rental market exacerbate the housing shortage and ultimately do  
19 not contribute to the economy through occupancy-based spending;  
20 and

21  
22           WHEREAS, a surcharge on vacant homes has the potential to  
23 incentivize property owners to either occupy their properties or  
24 make them available for long-term rental, thereby contributing  
25 to Hawaii's housing inventory and local economy; and

26  
27           WHEREAS, such a surcharge could generate significant  
28 revenue that may be used to support rental assistance programs  
29 and other affordable housing initiatives; and  
30

1           WHEREAS, House Bill No. 489, Regular Session of 2025, among  
2 other things, establishes a general excise tax surcharge on an  
3 owner that allows a residential real property to remain vacant  
4 for one hundred eighty days or more in the previous calendar  
5 year; and

6  
7           WHEREAS, implementing a vacant homes surcharge requires  
8 careful study to determine effective enforcement measures,  
9 economic impacts, and potential exemptions; now, therefore,

10  
11           BE IT RESOLVED by the House of Representatives of the  
12 Thirty-third Legislature of the State of Hawaii, Regular Session  
13 of 2025, that the Department of Taxation is requested to  
14 establish a vacant homes surcharge task force to research and  
15 report on the impacts and implementation of a general excise tax  
16 surcharge similar to the one proposed in House Bill No. 489,  
17 Regular Session of 2025; and

18  
19           BE IT FURTHER RESOLVED that the task force is requested to  
20 consist of the:

- 21  
22           (1) Director of Taxation, or the Director's designee, who  
23 shall serve as the Chairperson;  
24  
25           (2) Director of Business, Economic Development, and  
26 Tourism, or the Director's designee;  
27  
28           (3) Executive Director of the Hawaii Housing Finance and  
29 Development Corporation; or the Executive Director's  
30 designee; and  
31  
32           (4) Any other individual as requested by the Chairperson;  
33 and  
34

35           BE IT FURTHER RESOLVED that the task force is requested to  
36 submit a report of its findings and recommendations, including  
37 any proposed legislation, to the Legislature no later than  
38 twenty days prior to the convening of the Regular Session of  
39 2026; and  
40

41           BE IT FURTHER RESOLVED that certified copies of this  
42 Resolution be transmitted to the Director of Taxation; Director

1 of Business, Economic Development, and Tourism; and Executive  
2 Director of the Hawaii Housing Finance and Development  
3 Corporation.
