A BILL FOR AN ACT

RELATING TO CHILD CARE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. (a) The department of accounting and general
3 services shall identify all state-owned buildings that have the
4 space and capability to establish a child care center on its
5 premises.

6 (b) The department of accounting and general services
7 shall submit a report including a list of all state-owned
8 buildings identified as having the space and capability to
9 establish a child care center on its premises to the legislature
10 no later than twenty days prior to the convening of the regular
11 session of 2026.

12 (c) The department of accounting and general services
13 shall, after submitting the report under subsection (b),
14 establish and administer child care centers within the state-
15 owned buildings identified in subsection (a); provided that the
16 department of accounting and general services shall procure an
17 operator for child care services in accordance with chapter

1 103D; provided further that the operator shall be a child care
2 provider licensed under the laws of the State.

3 (d) For the purposes of this section, "state-owned
4 building" means a building owned by the State and managed by the
5 department of accounting and general services. "State-owned

16 ~~except~~]; provided that state building construction [~~shall be~~
17 ~~allowed to~~] may be exempted from:

- 18 (1) County codes that have not adopted the Hawaii state
19 building codes;
20 (2) Any county code amendments that are inconsistent with
21 the minimum performance objectives of the Hawaii state

1 building codes or the objectives enumerated in this
2 part; or

3 (3) Any county code amendments that are contrary to code
4 amendments adopted by another county.

5 (b) Exemptions shall include county ordinances allowing
6 the exercise of indigenous Hawaiian architecture adopted in
7 accordance with section 46-1.55.

8 (c) The State shall consider hurricane resistant criteria
9 when designing and constructing new public schools for the
10 capability of providing shelter refuge.

11 (d) Beginning July 1, 2023, where feasible and cost-
12 effective, the design of all new state building construction
13 shall:

14 (1) Maximize energy and water efficiency measures;

15 (2) Maximize energy generation potential; and
