1 SECTION 1. The legislature finds that a movement to

8 taxable income derived from tips received by employees.

9 SECTION 2. Chapter 235, Hawaii Revised Statutes, is
10 amended by adding a new section to be appropriately designated
11 and to read as follows:

12 "§235- Tips; tax exclusion. (a) There shall be
13 excluded from gross income, adjusted gross income, and taxable
14 income tips received during the taxable year that are included
15 on the tipped employee's statements furnished to the employer
16 for purposes of title 26 United States Code section 3102.

17 (b) The director of taxation:

1 (1) Shall prepare forms as may be necessary for the
2 purposes of this section;

3 (2) May require evidence from any taxpayer; and

4 (3) Adopt rules pursuant to chapter 91 necessary for the
5 purposes of this section.

6 (c) For the purposes of this section:

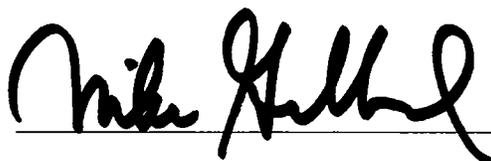

7 "Tips" means gratuities or voluntary monetary contributions
8 received by an employee from a guest, patron, or customer and
9 that the employee reports to the employer for purposes of title
10 26 United States Code section 3102.

11 "Tipped employee" means an employee working in an
12 occupation in which the employee receives more than \$30 a month
13 in gratuities."

14 SECTION 3. New statutory material is underscored.

15 SECTION 4. This Act, upon its approval, shall apply to
