
A BILL FOR AN ACT

RELATING TO ELECTIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that independent
2 expenditures made by noncandidate committees significantly
3 influence the electoral process in the State. These
4 expenditures often dwarf the spending of individual candidates
5 and voters, leading to concerns about corruption and
6 transparency in elections.

7 In *Citizens United v. Federal Election Commission*, the
8 United States Supreme Court affirmed that political expenditures
9 are a form of protected speech under the First Amendment of the
10 United States Constitution. However, that holding did not
11 exempt these expenditures from being subject to the State's
12 authority to impose charges and fees.

13 The Hawaii election campaign fund and the campaign spending
14 commission are critical in maintaining transparency, ensuring
15 that the State's elections are free from corruption, and
16 supporting public confidence in the electoral process.

1 Accordingly, the purpose of this Act is to impose a fee on
2 the total amount of independent expenditures made by a
3 noncandidate committee during an election. This fee does not
4 prohibit or restrict free speech but ensures that the State's
5 elections remain free from corruption.

6 Revenues generated under this Act shall be allocated to the
7 Hawaii election campaign fund. The legislature further finds
8 that these revenues could provide the campaign spending
9 commission with sufficient funding to enable the hiring of
10 additional inspectors, attorneys, and administrative staff, and
11 to upgrade technological infrastructure for oversight and
12 enforcement.

13 By enacting this legislation, the State aims to enhance
14 transparency in its electoral system, while safeguarding the
15 constitutional rights of all citizens.

16 SECTION 2. Chapter 11, Hawaii Revised Statutes, is amended
17 by adding a new subpart to part XIII to be appropriately
18 designated and to read as follows:

1 " . INDEPENDENT EXPENDITURES MADE BY NONCANDIDATE COMMITTEES

2 §11-A Independent expenditures made by a noncandidate

3 committee; fee. (a) There is imposed a fee on all independent

4 expenditures made by a noncandidate committee regarding an

5 election within the State.

6 (b) The amount of the fee shall be equal to five per cent

7 of the total amount of independent expenditures made by the

8 noncandidate committee during an election period.

9 (c) The commission shall assess the amount owed by each

10 noncandidate committee based on reports submitted to the

11 commission pursuant to sections 11-335 and 11-338.

12 (d) Payment of the fee shall be made to the commission

13 within sixty days of the issuance of an assessment under

14 subsection (c).

15 (e) The commission shall be responsible for the

16 administration, collection, and enforcement of the fee imposed

17 under this section.

18 The commission shall establish procedures for electronic

19 payment of fees, ensuring transparency and ease of compliance

20 for all noncandidate committees.

1 (f) This section shall not be construed to prohibit or
2 limit the speech of any person or entity, but rather to serve as
3 a fee under the State's authority to impose charges and fees for
4 the purpose of promoting transparency and equity in elections.

5 **§11-B Failure to make payment of fees.** Failure of a
6 noncandidate committee to make payment of a fee assessed under
7 section 11-A within the required period shall result in
8 penalties, including:

- 9 (1) A fine not to exceed \$10,000 per assessment unpaid;
10 (2) Accrual of interest on unpaid fees at the rate of ten
11 per cent per annum; and
12 (3) Suspension of the noncandidate committee's ability to
13 conduct independent expenditures in the State until
14 all assessments and penalties are paid in full.

15 **§11-C Disposition of revenues.** All revenues generated
16 from the fee imposed under this subpart, including penalties and
17 interest, shall be deposited into the Hawaii election campaign
18 fund established under section 11-421 and shall be used by the
19 commission for the purposes of hiring additional inspectors,
20 attorneys, and staff, as well as upgrading administrative and
21 technological systems for campaign oversight.

1 **§11-D Rules.** The commission shall adopt rules under
2 chapter 91 and establish administrative procedures required for
3 the implementation of this subpart no later than January 1,
4 2027. This includes but is not limited to:

- 5 (1) Developing electronic systems for payment of fees;
- 6 (2) Conducting public education and outreach to inform
7 noncandidate committees of their obligations under
8 this subpart; and
- 9 (3) Training staff and hiring additional personnel
10 required for enforcement and administration."

11 SECTION 3. In codifying the new sections added by
12 section 2 of this Act, the revisor of statutes shall substitute
13 appropriate section numbers for the letters used in designating
14 the new sections in this Act.

15 SECTION 4. If any provision of this Act, or the
16 application thereof to any person or circumstance, is held
17 invalid, the invalidity does not affect other provisions or
18 applications of the Act that can be given effect without the
19 invalid provision or application, and to this end the provisions
20 of this Act are severable.

1 SECTION 5. This Act shall take effect on April 23, 2057;
2 provided that section 2 shall apply to all elections held on or
3 after January 1, 2028.
