
A BILL FOR AN ACT

RELATING TO ACT 253, SESSION LAWS OF HAWAII 2023.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Act 253, Session Laws of Hawaii 2023,
2 established the neighbor islands blind and visually impaired
3 service pilot program within the department of human services.
4 The goal of Act 253 is to bridge the gaps in services for blind
5 and low vision residents across the State, particularly focusing
6 on those living on the neighbor islands. The department's
7 efforts to implement the Act were delayed until July 2024 as the
8 department's staff were responding to the needs of staff and
9 residents impacted by the 2023 Maui wildfires.

10 Despite the delays, the department engaged a consultant,
11 posted a survey, and had several in-person and virtual meetings
12 to gather information from blind and low vision neighbor island
13 residents to discuss potential training and services that the
14 pilot program may offer. A report to the legislature was
15 submitted in December 2024 detailing the department's efforts,
16 findings, and recommendations that include requests for two

1 additional temporary full-time equivalent positions within the
2 department and appropriations to implement the pilot program.

3 The purpose of this Act is to:

4 (1) Rename the pilot program to replace the term "visually
5 impaired" with the less stigmatizing term "low
6 vision," and
