
A BILL FOR AN ACT

RELATING TO INTERNATIONAL AFFAIRS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that fifty years ago,
2 Act 82, Session Laws of Hawaii 1975, established an educational
3 non-profit public corporation to administer and operate what is
4 today known as the East-West center. The mission of the
5 East-West center is to benefit local residents and the State's
6 international partners by strengthening the State's international
7 ties and advancing cooperation across the Pacific. It has been
8 an invaluable partner that is well suited to continuing to assist
9 the State in building partnerships, expanding economic
10 development and education, and collaborating abroad.

11 The legislature further finds that strong sister-state,
12 sister-school, and similar relationships benefit the State's
13 businesses and economy, improve access to flights and
14 transportation, expand high school and college student
15 educational exchanges, broaden access to Pacific culture and
16 arts, preserve the State's relationships to the places of origin
17 of its immigrant communities, and spur sub-national government

1 collaborations to address common priorities, including the
2 eradication of invasive species, promotion of economic
3 development, advancement of clean energy, and preservation of
4 peace between nations. Further, it is appropriate for the State
5 to explore and take advantage of additional ways that Hawaii can
6 benefit from international partnerships, including generating
7 revenue abroad similar to many other jurisdictions. For example,
8 hosting facilities abroad for local farmers and retailers to more
9 easily sell Hawaii products in key markets, or investing in
10 projects that generate a return. This enables direct financial
11 benefit that can create revenue to support Hawaii programs and
12 services without additional expense to local taxpayers.

13 The legislature also finds that international relations
14 between East and West across the Pacific have been rapidly
15 changing. Additionally, previous generations of the State's key
16 community, business, and government leaders who have carefully
17 fostered and maintained these important relationships are
18 retiring or passing on. If local residents are going to
19 continue to benefit from the State's international ties, and if
20 Hawaii is going to take advantage of international business and
21 revenue opportunities abroad as so many other jurisdictions

1 currently do, it is critical that the State adjust its engagement
2 strategy, ensure continuity with its sister-state communities and
3 partners, and plan for the future.

4 Therefore, the legislature finds that in celebration of the
5 fiftieth anniversary of the legislature's establishment of the
6 East-West center, the State must update its international
7 engagement strategy, and reaffirm its commitment to building and
8 maintaining the international partnerships that have benefitted
9 the State over the years, so they can continue to benefit local
10 residents for generations to come.

11 Accordingly, the purpose of this Act is to:

- 12 (1) Engage local leaders with strong relationships abroad
13 to support the governor and legislature in
14 strengthening international partnerships, by
15 redesignating the Hawaii sister-state committee as the
16 Hawaii sister-state and international partnerships
17 commission;
- 18 (2) Enable the East-West center to better help and
19 maintain the State's international relationships,
20 programs, and partnerships; and

1 (3) Enable the State to more easily generate revenue from
2 international partnerships and investment as other
3 jurisdictions do, where appropriate.

4 SECTION 2. Chapter 201, Hawaii Revised Statutes, is
5 amended by adding two new sections to part I to be appropriately
6 designated and to read as follows:

9 technical interchange between East and West, Inc.
