# A BILL FOR AN ACT

RELATING TO EMERGENCY CHARTER AIR SERVICES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that access to emergency  
2 air transportation is critical to ensuring public safety and  
3 responding effectively to urgent situations. In cases where no  
4 other air services are available, the lack of a dependable  
5 charter air service can impede disaster response, public safety  
6 operations, and essential state functions.

7           Accordingly, the purpose of this Act is to require the air  
8 carrier commission to enter into a contract with a qualified  
9 charter air service provider to secure emergency air  
10 transportation services.

11           SECTION 2. Chapter 261E, Hawaii Revised Statutes, is  
12 amended by adding a new section to be appropriately designated  
13 and to read as follows:

14           "§261E-    Emergency charter air services. (a) The  
15 commission shall enter into a contract with a qualified charter  
16 air service provider to ensure the availability of emergency air

1 transportation in cases of emergency when no other air  
2 transportation service is available.

3 (b) The contract shall require the qualified charter air  
4 service provider to:

5 (1) Provide services within twenty-four hours of receiving  
6 notice from the commission;

7 (2) Provide a minimum of five flights per month for  
8 emergency purposes; and

9 (3) Maintain all certifications, licenses, and insurance  
10 required by state and federal law.

11 (c) Any department or agency of the State may utilize the  
12 qualified charter air service provider for emergency air  
13 transportation. Any department or agency utilizing the charter  
14 air service provider shall reimburse the commission for the cost  
15 of the flight services, as determined by the terms of the  
16 contract.

17 (d) The commission shall adopt rules pursuant to chapter  
18 91 necessary to carry out the purposes of this section,  
19 including but not limited to the procedures for requesting and  
20 reimbursing the costs of charter air services."

1 SECTION 3. There is appropriated out of the general  
2 revenues of the State of Hawaii the sum of \$ or so  
3 much thereof as may be necessary for fiscal year 2025-2026 and  
4 the same sum or so much thereof as may be necessary for fiscal  
5 year 2026-2027 for the air carrier commission to enter into a  
6 contract with a qualified charter air service provider to  
7 provide emergency air transportation in accordance with  
8 section 2 of this Act.

9 The sums appropriated shall be expended by the department  
10 of transportation for the purposes of this Act.

11 SECTION 4. New statutory material is underscored.

12 SECTION 5. This Act shall take effect on July 1, 2025.
