
A BILL FOR AN ACT

RELATING TO AQUACULTURE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 141, Hawaii Revised Statutes, is
2 amended by adding a new section to part IV to be appropriately
3 designated and to read as follows:

4 "§141- Aquatic livestock import assessment and approval
5 process; rules. The division of animal industry shall have the
6 authority to adopt, amend, and repeal rules not inconsistent
7 with law, to develop an assessment and approval process to
8 import and move aquatic livestock in the State. This process
9 shall:

- 10 (1) Be based on the framework maintained by the department
11 pursuant to this chapter and chapter 142;
12 (2) Include pre-arrival disease testing requirements,
13 entry inspection, and post-arrival inspection; and
14 (3) Require quarantine or depopulation of any aquatic
15 animals as necessary."

1 SECTION 2. Section 141-51, Hawaii Revised Statutes, is
2 amended by adding three new definitions to be appropriately
3 inserted and to read as follows:

4 "Aquatic livestock" means various species of domestic and
5 non-domestic fish, crustaceans, and mollusks that are propagated
6 and raised for food, restorative activities, or similar
7 commercial purposes.

8 "Biocontainment" means the methods, procedures, facility
9 features, and containment or safety equipment for infectious
10 materials and animals in the aquatic livestock environment where
11 these materials and animals are potentially handled or
12 maintained. "Biocontainment" includes preventing the release of
13 infectious animal species and associated pathogens into the
14 environment.

15 "Biological aquatic risk" means the combination of the
16 consequences of an event and the associated likelihood of its
17 occurrence, where biological material is the source of harm,
18 whether from an escaped aquatic livestock species or associated
19 pathogens or disease."

20 SECTION 3. Section 141-52, Hawaii Revised Statutes, is
21 amended by amending subsection (a) to read as follows:

- 1 "(a) There is established within the department an
2 aquaculture program that shall:
- 3 (1) Monitor actions taken by industry and by federal,
4 state, county, and private agencies in activities
5 relating to aquaculture, and promote and support
6 worthwhile aquaculture activities;
- 7 (2) Serve as an information clearinghouse for aquaculture
8 activities;
- 9 (3) Coordinate development projects to investigate and
10 solve biological and technical problems involved in
11 raising selected species with commercial potential;
- 12 (4) Actively seek federal funding for aquaculture
13 activities;
- 14 (5) Undertake activities required to develop and expand
15 the aquaculture industry[~~and~~], which shall include:
- 16 (A) Developing a biological aquatic risk-based
17 framework for an assessment and approval process
18 for aquatic livestock that categorizes aquatic
19 livestock species based on the probability and
20 consequence of the establishment of a feral
21 population; and

1 (B) Developing biocontainment standards that
2 establish physical and operational requirements;
3 and

4 (6) Perform other functions and activities that may be
5 assigned by law."

6 SECTION 4. Section 161-6, Hawaii Revised Statutes, is
7 amended to read as follows:

8 "~~{}~~**\$161-6**~~{}~~ **Division of animal industry.** The division
9 of animal industry of the department of agriculture shall
10 administer this chapter subject to the supervision of the board.
11 ~~[The]~~ Except as provided by section 141- , the board may
12 delegate any of its powers under this chapter, except the power
13 to make rules and regulations, or may direct any of its duties
14 to be performed by any appropriate agents, officers, or
15 employees of the board.

16 The board may employ on a full or part-time basis
17 veterinarians and poultry inspectors, subject to chapter 76, to
18 carry out a uniform inspection system of poultry or poultry
19 products throughout the State. All poultry inspectors shall be
20 under the supervision and control of a veterinarian employed by
21 the board."

1 SECTION 5. The division of animal industry shall develop a
2 biological aquatic risk-based framework for the assessment and
3 approval process to import and move aquatic livestock in the
4 State. In developing the framework, the division of animal
5 industry shall consider:

- 6 (1) Relevant standards established by the United States
7 Department of Agriculture;
- 8 (2) Current aquatic livestock policies and development
9 issues;
- 10 (3) Best practices of aquaculture industry; and
- 11 (4) The protection of indigenous species as defined in
12 section 195D-2, Hawaii Revised Statutes.

13 SECTION 6. There is appropriated out of the general
14 revenues of the State of Hawaii the sum of \$ or so
15 much thereof as may be necessary for fiscal year 2025-2026 and
16 the same sum or so much thereof as may be necessary for fiscal
17 year 2026-2027 for the division of animal industry to develop a
18 biological aquatic risk-based framework pursuant to the
19 requirements of this Act.

20 The sums appropriated shall be expended by the department
21 of agriculture for the purposes of this Act.

1 SECTION 7. Statutory material to be repealed is bracketed
2 and stricken. New statutory material is underscored.

3 SECTION 8. This Act shall take effect on July 1, 2050.
