## 1                   PART V.   ISSUANCE OF BONDS

2           SECTION 8.   General obligation bonds may be issued, as  
3   provided by law, to yield the amount that may be necessary to  
4   finance projects authorized in part II and listed in part IV of  
5   this Act; provided that the sum total of the general obligation  
6   bonds so issued shall not exceed \$9,900,000.

## 7                   PART VI.   SPECIAL PROVISIONS

8           SECTION 9.   Any law or any provision of this Act to the  
9   contrary notwithstanding, the appropriations made for capital  
10   improvement projects authorized in part II and listed in part IV  
11   of this Act shall not lapse at the end of the fiscal year for  
12   which the appropriations are made; provided that all  
13   appropriations made for fiscal year 2025-2026 and fiscal year  
14   2026-2027 that are unencumbered as of June 30, 2028, shall lapse  
15   as of that date.

16          SECTION 10.   The judiciary may delegate to other state or  
17   county agencies the planning, acquisition of land, design,  
18   construction, and equipment of any capital improvement project  
19   when it is determined by the judiciary to be advantageous to do  
20   so.

1       SECTION 11. All unrequired balances in the general  
2 obligation bond fund, after the objectives of part II  
3 appropriations for capital improvements program purposes listed  
4 as projects in part IV of this Act have been met, shall be  
5 transferred to the judiciary project adjustment fund.

6       SECTION 12. If the amount allocated from the general  
7 obligation bond fund for a capital improvement project listed in  
8 part IV of this Act is insufficient, the chief justice may make  
9 supplemental allotments from the judiciary project adjustment  
10 fund; provided that supplemental allotments shall not be used to  
11 increase the scope of the project.

12       SECTION 13. Where it has been determined that changed  
13 conditions, such as a reduction in the particular population  
14 being served, permit the reduction in the scope of a project  
15 listed in part IV of this Act, the chief justice may authorize  
16 such reduction of project scope.

17       SECTION 14. The chief justice shall determine when and the  
18 manner in which the authorized capital improvement projects  
19 shall be initiated. The chief justice shall notify the governor  
20 from time to time of the specific amounts required for the

1 projects, and the governor shall provide for those amounts  
2 through the issuance of bonds authorized in part V of this Act.

3 SECTION 15. Any law or any provision of this Act to the  
4 contrary notwithstanding, the chief justice may supplement funds  
5 for any cost element for a capital improvement project  
6 authorized under this Act by transferring sums as may be needed  
7 from the funds appropriated for other cost elements of the same  
8 project by this Act or by any other prior or future Act that has  
9 not lapsed; provided that the total expenditure of funds for all  
10 cost elements for the project shall not exceed the total  
11 appropriation for that project.

12 PART VII. MISCELLANEOUS PROVISIONS AND EFFECTIVE DATE

13 SECTION 16. If any portion of this Act or its  
14 application to any person or circumstances is held to be  
15 invalid for any reason, the remainder of this Act and any  
16 provision thereof shall not be affected. If any portion  
17 of a specific appropriation is held to be invalid for any  
18 reason, the remaining portion shall be independent of the  
19 invalid portion and shall be expended to fulfill the  
20 objective and intent of the appropriation to the extent  
21 possible.

1       SECTION 17. If any manifest clerical, typographical, or  
2 other mechanical error is found in this Act, the chief justice  
3 may correct the error. All changes made pursuant to this  
4 section shall be reported to the legislature at its next regular  
5 session.
