# A BILL FOR AN ACT

RELATING TO AGRICULTURE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that article XI,  
2 section 1 of the Hawaii State Constitution mandates that the  
3 State "conserve and protect Hawaii's natural beauty and all  
4 natural resources, including land, water, air, minerals and  
5 energy sources, and shall promote the development and  
6 utilization of these resources in a manner consistent with their  
7 conservation and in furtherance of the self-sufficiency of the  
8 State." Article XI, section 3, of the Hawaii State Constitution  
9 further specifies that the State is obligated to "conserve and  
10 protect agricultural lands, promote diversified agriculture,  
11 increase agricultural self-sufficiency and assure the  
12 availability of agriculturally suitable lands."

13           The legislature further finds that statute allows the  
14 creation of conservation easements to effectuate this  
15 constitutional mandate as conservation easements may be created  
16 to preserve and protect land for agricultural use. The State  
17 has also enacted ambitious mandates for the purchase of locally

1 produced food. Act 175, Session Laws of Hawaii 2021, requires  
2 thirty per cent of the food that the department of education  
3 serves in public schools be locally sourced by 2030, and  
4 Act 176, Session Laws of Hawaii 2021, requires that fresh local  
5 agricultural products and local value-added processed,  
6 agricultural, or food products constitute at least fifty per  
7 cent of the total produce purchased by state departments by  
8 January 1, 2050.

9 The legislature also finds that the State must act  
10 aggressively to meet these statutory mandates and to preserve  
11 and protect agricultural lands to ensure that they are available  
12 for future food production.

13 Accordingly, the purpose of this Act is to appropriate  
14 funds to the agribusiness development corporation to acquire a  
15 conservation easement in central Oahu.

16 SECTION 2. There is appropriated out of the general  
17 revenues of the State of Hawaii the sum of \$ or so  
18 much thereof as may be necessary for fiscal year 2025-2026 and  
19 the same sum or so much thereof as may be necessary for fiscal  
20 year 2026-2027 for the acquisition of a conservation easement in  
21 central Oahu.

1           The sums appropriated shall be expended by the agribusiness  
2 development corporation for the purposes of this Act.

3           SECTION 3. This Act shall take effect on July 1, 2050.
