# A BILL FOR AN ACT

RELATING TO EDUCATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that complying with and  
2 upholding state and federal civil rights laws is an important  
3 responsibility of the department of education.

4           The legislature further finds that following the  
5 December 6, 2018, federal lawsuit filed against the department  
6 of education and the Oahu Interscholastic Association involving  
7 Campbell high school, the civil rights compliance branch of the  
8 department of education received temporary funding to hire a  
9 Title IX specialist for gender equity in athletics. While the  
10 incumbent Title IX specialist for gender equity in athletics has  
11 already made a statewide impact with the addition of flag  
12 football for female athletes, meeting with athletic leagues  
13 statewide, garnering support from various stakeholders in the  
14 community, and playing a pivotal role in implementing the  
15 department of education's gender equity plan statewide, this  
16 position is temporary.

1           Furthermore, the legislature finds that additional staff  
2 and funding are needed for the department of education to better  
3 comply with and uphold state and federal civil rights laws.

4           Accordingly, the purpose of this Act is to establish and  
5 appropriate funds for five full-time equivalent (5.0 FTE)

7 department of education.

8           SECTION 2. (a) There is established within the civil

10 full-time equivalent (5.0 FTE) positions, as follows:
