# A BILL FOR AN ACT

RELATING TO CHILD WELFARE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the department of  
2 human services is statutorily obligated to provide services "for  
3 the protection and care of abused or neglected children and  
4 children in danger of becoming delinquent to make paramount the  
5 safety and health of children who are harmed or are in life  
6 circumstances that threaten harm," pursuant to section 346-14,  
7 Hawaii Revised Statutes. Through its child welfare services  
8 branch, the department of human services places children who  
9 cannot remain safely in their homes into foster homes until  
10 those children can be reunited with their families or placed  
11 with adoptive parents or legal guardians.

12           The legislature further finds that there have been a number  
13 of egregious incidents involving the care of children under the  
14 department of human services' supervision, including some that  
15 have risen to the media's and public's attention. The  
16 legislature acknowledges the significant staffing challenges of

1 the child welfare services branch in recruiting and retaining  
2 staff that has led to a vacancy rate of over twenty per cent.

3 At the legislature's request, a performance audit of the  
4 child welfare services branch was conducted by the state auditor  
5 that was culminated in the report *Audit of the Department of*  
6 *Human Services' Child Welfare Services Branch*, Report No. 24-05,  
7 April 2024. The report did not alleviate concerns about the  
8 branch's ability to fulfill its statutory obligation to protect  
9 children. Based on the foregoing, the legislature concludes  
10 that an oversight body is needed to recommend actions that will  
11 reduce child harm and death and improve and strengthen the  
12 effectiveness of the child welfare services branch.

13 The purpose of this Act is to establish and appropriate  
14 funds for a temporary oversight commission for the child welfare  
15 services branch of the social services division of the  
16 department of human services.
