# A BILL FOR AN ACT

RELATING TO THE HAWAII CHILD NUTRITION PROGRAMS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the Hawaii child  
2 nutrition programs is the state agency link between the United  
3 States Department of Agriculture Food and Nutrition Service and  
4 local program operators. The agency conducts audits, provides  
5 technical assistance, and disburses federal funds while ensuring  
6 the programs are managed according to federal requirements.

7           The legislature further finds that the Hawaii child  
8 nutrition programs has a critical role in ensuring the  
9 department of education reaches the programmatic goal  
10 established in Act 175, Session Laws of Hawaii 2021, to provide  
11 at least thirty per cent locally grown food in the State's  
12 public schools by 2030. However, additional resources and staff  
13 dedicated to farm-to-school connections are needed to ensure the  
14 department of education meets its "30 by 30" goal.

15           The legislature also finds that the Hawaii child nutrition  
16 programs is an agency attached to the department of education  
17 under the board of education. However, it is critical from an

1 ethical standpoint for the Hawaii child nutrition programs to be  
2 independent of the department of education's school food  
3 services branch to prevent its preferential treatment. The  
4 Hawaii child nutrition programs agency should be transferred  
5 from the department of education to the department of  
6 agriculture to allow the Hawaii child nutrition programs to  
7 conduct compliance audits and fiscal reviews without  
8 interference from the school food services branch.

9 The purpose of this Act is to:

- 10 (1) Establish the Hawaii child nutrition programs as an  
11 agency in the department of agriculture; and  
12 (2) Fund grant-based programs to be administered through  
13 the Hawaii child nutrition programs.

14 SECTION 2. The Hawaii Revised Statutes is amended by  
15 adding a new chapter to be appropriately designated and to read  
16 as follows:

7           (b) The purpose of the Hawaii child nutrition programs

5 to increased pupil knowledge and consumption of  
6 Hawaii-grown products.

7 § -4 **Reports to the legislature.** The agency shall  
8 submit a report to the legislature on the disbursement of funds  
9 awarded pursuant to section -3 no later than twenty days  
10 prior to the convening of each regular session."

7 retain the employee's exempt status, but shall not be appointed  
8 to a civil service position as a consequence of this Act. An  
9 exempt employee who is transferred by this Act shall not suffer  
10 any loss of prior service credit, vacation or sick leave credits  
11 previously earned, or other employee benefits or privileges as a  
12 consequence of this Act; provided that the employees possess  
13 legal and public employment requirements for the position to  
14 which transferred or appointed, as applicable; provided further  
15 that subsequent changes in status may be made pursuant to  
16 applicable employment and compensation laws.

17 SECTION 4. All appropriations, records, equipment,
