SENATE RESOLUTION

URGING THE DEPARTMENT OF AGRICULTURE TO COLLABORATE WITH THE
AGRIBUSINESS DEVELOPMENT CORPORATION REGARDING GRANT
FUNDING OPPORTUNITIES WITH THE UNITED STATES DEPARTMENT OF
AGRICULTURE.

1 WHEREAS, the Agribusiness Development Corporation's mission
2 is to work with local farmers, ranchers, and aquaculture groups
3 to acquire land and infrastructure to facilitate the development
4 of a multi-crop agricultural industry in Hawaii; and
5

6 WHEREAS, the Department of Agriculture aims to sponsor and
7 develop programs that promote the growth, sustainability, and
8 protection of Hawai'i's agriculture industry; and
9

10 WHEREAS, the State of Hawaii 2050 Sustainability Plan
11 identifies and outlines the goals and initiatives for achieving
12 sustainability milestones through the 2020-2030 decade of
13 action; and
14

15 WHEREAS, the increase of local food production for local
16 consumption by 2030 is identified as a goal of the plan through
17 the Aloha challenge; and
18

19 WHEREAS, the increase of food production may require that
20 more land be available for agricultural projects, and more labor
21 be available to support the production and distribution of
22 products; and
23

24 WHEREAS, the United States Department of Agriculture
25 provides a multitude of grant program opportunities to improve
26 the development and performance of agricultural organizations
27 across the United States; and
28

29 WHEREAS, these United States Department of Agriculture
30 grants have the opportunity to provide funding and aid to local
31 farmers and ranchers to promote their continued growth and
32 performance in Hawaii; now, therefore,
