

STAND. COM. REP. NO.

71b

Honolulu, Hawaii

FEB 14 , 2025

RE: H.B. No. 966
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Water & Land, to which was referred H.B.
No. 966, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO AGRICULTURAL TOURISM,"

begs leave to report as follows:

The purpose of this measure is to establish statewide,
uniform standards to promote agricultural tourism activities in
the State by:

- (1) Creating agricultural tourism activity requirements that
are applicable to all counties that have adopted an
agricultural tourism ordinance;
- (2) Requiring agricultural tourism activities to be
registered by the county planning department; and
- (3) Requiring agricultural tourism activities to coexist
with agricultural activity on a farming operation and
providing for the termination of agricultural tourism
activities upon the cessation of the agricultural
activity.

Your Committee received testimony in support of this measure
from the Agribusiness Development Corporation; Maui Chamber of
Commerce; Heavenly Hawaiian Farms; Hawaii Food+ Policy; Hawai'i

2025-1911 HB966 HD1 HSCR HMSO

Farm Bureau; Grassroot Institute of Hawaii; Mahina Farms Maui; and five individuals. Your Committee received comments on this measure from the Department of Agriculture; Office of Planning and Sustainable Development; Hawai'i Tourism Authority; Hawaii Cattlemen's Council, Inc.; and Kualoa Ranch.

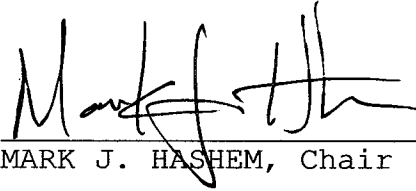

Your Committee finds that the addition of agricultural tourism activities is rapidly becoming an essential part of the business model for many farms and ranches. Your Committee further finds that existing regulation for agricultural tourism activities across the State is disjointed, as each county currently has its own agricultural tourism activity permitting process, standards, procedures, and definitions. Your Committee believes that establishing uniform, statewide standards for agricultural tourism activities will allow Hawaii's agricultural producers to tap into a critical revenue stream while still ensuring agricultural lands are used primarily for agricultural purposes.

Your Committee notes the concerns raised by the Department of Agriculture and Hawai'i Farm Bureau in their written testimony regarding the need to ensure there are no unintended consequences of the changes proposed by this measure and that there is sufficient oversight related to agricultural operations and land use. Your Committee respectfully requests your Committee on Judiciary & Hawaiian Affairs, should it deliberate on this measure, to consider whether this measure should revert back to the version as introduced.

As affirmed by the record of votes of the members of your Committee on Water & Land that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 966, H.D. 1, and recommends that it be referred to your Committee on Judiciary & Hawaiian Affairs.

Respectfully submitted on
behalf of the members of the
Committee on Water & Land,

MARK J. HASHEM, Chair

State of Hawaii
House of Representatives
The Thirty-third Legislature
