RE: H.R. No. 175
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Labor, to which was referred H.R. No. 175
entitled:

"HOUSE RESOLUTION REQUESTING THE SENATE STANDING COMMITTEE ON
LABOR AND TECHNOLOGY AND HOUSE OF REPRESENTATIVES STANDING
COMMITTEE ON LABOR TO CONVENE A LEGISLATIVE WORKING GROUP TO

begs leave to report as follows:

The purpose of this measure is to request the Senate Standing
Committee on Labor and Technology and House of Representatives
Standing Committee on Labor to convene a legislative working group
to develop recommendations for establishing and implementing a
paid family and medical leave program for the State.

United Public Workers; Pride at Work Hawaii; Hawaii Children's Action Network Speaks; and 33 individuals. Your Committee received comments on this measure from the Department of Human Resources Development; Department of Labor and Industrial Relations; Legislative Reference Bureau; University of Hawaii Professional Assembly; SHRM Hawaii; and the Chamber of Commerce Hawaii.

Your Committee finds that in the face of the current workforce shortage, a paid family and medical leave program would incentivize individuals to join the labor market and improve employee retention, filling gaps and saving employers long-term recruitment and training costs. Your Committee further finds that a state-administered paid family and medical leave program would benefit the State's workforce while reducing the financial burden for employers compared to a privately funded alternative. Your Committee believes this measure is an essential first step towards establishing a viable state-administered paid family and medical leave program, as the working group that would be established by this measure would recommend parameters for establishing and implementing such a program after reviewing any potential legal, logistical, and financial constraints.

Accordingly, your Committee has amended this measure by:

Including the directors of the central personnel agencies of the State, the City and County of Honolulu, the County of Hawaii, the County of Maui, the County of Kauai; the Judiciary; the Department of Education; the University of Hawaii; and the Hawaii Health Systems Corporation, or their designees as members of the working group.

As affirmed by the record of votes of the members of your Committee on Labor that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 175, as amended herein, and recommends that it be referred to your Committee on Legislative Management in the form attached hereto as H.R. No. 175, H.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Labor,

JACKSON D. SPIVAK, Chair
