RE: S.B. No. 1252
S.D. 2
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Higher Education, to which was referred
S.B. No. 1252, S.D. 2, entitled:

"A BILL FOR AN ACT RELATING TO DEMENTIA,"

begs leave to report as follows:

The purpose of this measure is to require and appropriate funds for the Board of Regents of the University of Hawaii to establish a specialized training program to educate health care providers on caring for patients having Alzheimer's disease and other forms of dementia.

Your Committee received testimony in support of this measure from the John A. Burns School of Medicine of the University of Hawai'i at Manoa; Alzheimer's Association - Hawaii; and three individuals.

Your Committee finds that many healthcare providers rarely receive specialized training on dementia. Standard training on dementia for healthcare providers is often minimal and consists only of basic information.

Your Committee further finds that the University of Hawaii at Manoa's John A. Burns School of Medicine, University of Hawaii's Center for Aging, and University of Hawaii's Thompson School of

2025-2806 SB1252 HD1 HSCR HMSO

Social Work and Public Health have been providing courses and actively engaging in educating and training students in Alzheimer's disease and dementia. Your Committee believes that additional staff positions are necessary to provide greater coordination between the various University of Hawaii programs in delivering training in caring for patients with Alzheimer's disease and other forms of dementia.

Your Committee has accordingly amended this measure by:

- (1) Deleting language that would have required and appropriated funds for the Board of Regents of the University of Hawaii to establish a specialized training program to educate health care providers on caring for patients having Alzheimer's disease and other forms of dementia;
- (2) Inserting language to appropriate funds to the University of Hawaii to establish positions for the University of Hawaii at Manoa John A. Burns School of Medicine's Department of Geriatric Medicine to provide coordination between the University of Hawaii's programs that provide training on Alzheimer's disease and dementia;
- (3) Amending the preamble to reflect its amended purpose;
- (4) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

Your Committee respectfully requests your Committee on Finance, should it deliberate on this measure, to consider an appropriation amount of \$525,000 to establish two full-time equivalent positions for the University of Hawaii at Manoa John A. Burns School of Medicine's Department of Geriatric Medicine to provide coordination between the University of Hawaii's programs that provide training on Alzheimer's disease and dementia.

As affirmed by the record of votes of the members of your Committee on Higher Education that is attached to this report, your Committee is in accord with the intent and purpose of S.B.

No. 1252, S.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 1252, S.D. 2, H.D. 1, and be referred to your Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committee on Higher Education,

ANDREW TAKUYA GARRETT, Chair

State of Hawaii
