

Honolulu, Hawaii

FEB 10 2025

RE: S.B. No. 252
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Sir:

Your Committees on Agriculture and Environment and Commerce
and Consumer Protection, to which was referred S.B. No. 252
entitled:

"A BILL FOR AN ACT RELATING TO INVASIVE SPECIES,"

beg leave to report as follows:

The purpose and intent of this measure is to:

- (1) Expand the Department of Agriculture's authority to
conduct certain investigations; and
- (2) Clarify certain penalties to prevent the spread of
invasive species in the State.

Your Committees received testimony in support of this measure
from the Department of Agriculture, Hawaii Invasive Species
Council, O'ahu Invasive Species Committee, Coordinating Group on
Alien Pest Species, Hawai'i Farmers Union United, Sierra Club of
Hawai'i, Free Access Coalition, Kupuna for the Mo'opuna, Green
Party of Hawai'i, and fifty-five individuals.

Your Committees received comments on this measure from Matson
Navigation Company, Inc.

Your Committees find that one of the largest gaps in Hawaii's
biosecurity is the lack of authority for any agency to inspect

non-agricultural commodities entering the State through domestic ports. According to testimony received by your Committee, this measure provides the Department of Agriculture with new tools that can be implemented through its existing capacity. This measure will therefore allow the Department of Agriculture to carry out its responsibilities to effectively eradicate, control, and prevent new and existing invasive species from entering the State, while protecting local agricultural systems and preserving native species and the environment.

Your Committees have amended this measure by:

- (1) Clarifying that the importation of certain materials is prohibited unless appropriate authorization is obtained from the Department of Agriculture before importation, rather than requiring a permit or compliance agreement;
- (2) Clarifying that the penalties for violations extend to animals and microorganisms that are not listed under Hawaii Administrative Rules;
- (3) Deleting language that would be duplicative of existing Hawaii Administrative Rules;
- (4) Increasing fines for initial violations of section 150A-5, Hawaii Revised Statutes, to not less than \$100 and not more than \$10,000, and for a second violation committed within five years of a prior violation, increasing fines to not less than \$500 and not more than \$25,000;
- (5) Inserting language that establishes an unspecified range of fines for second violations of sections 150A-6(3), 150A-6(4), or 150A-7(b), Hawaii Revised Statutes, within five years of a prior violation; and
- (6) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Agriculture and Environment and Commerce and Consumer Protection that are attached to this report, your Committees are in accord with the intent and purpose of S.B.

No. 252, as amended herein, and recommend that it pass Second Reading in the form attached hereto as S.B. No. 252, S.D. 1, and be referred to your Committees on Judiciary and Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Agriculture and
Environment and Commerce and
Consumer Protection,

JARRETT KEOHOKALOLE, Chair

MIKE GABBARD, Chair
