STAND. COM. REP. NO. 205

Honolulu, Hawaii

APR 11 , 2025

RE: S.C.R. No. 23

Honorable Nadine K. Nakamura Speaker, House of Representatives Thirty-Third State Legislature Regular Session of 2025 State of Hawaii

Madame:

Your Committee on Transportation, to which was referred S.C.R. No. 23 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF TRANSPORTATION AND DEPARTMENT OF LAW ENFORCEMENT TO STUDY THE POSSIBILITY OF A HIGHWAY PATROL AND SPEED CAMERAS ALONG MAJOR FREEWAYS AND HIGHWAYS IN PRIMARY AREAS OF SPEEDING,"

begs leave to report as follows:

The purpose of this measure is to request the Department of Transportation and Department of Law Enforcement to study the possibility of a highway patrol and speed cameras along major freeways and highways in primary areas of speeding.

Your Committee received testimony in support of this measure from the Department of Transportation and Oahu Metropolitan Planning Organization. Your Committee received testimony in opposition to this measure from five individuals.

Your Committee finds that the impact of increased traffic congestion and excessive speeding on the State's roadways pose significant risks to drivers, passengers, bicyclists, and pedestrians. Limited resources among local law enforcement agencies make it challenging to effectively enforce speed limits and address traffic safety concerns. This measure aims to enhance enforcement and reduce speed-related crashes by looking into the

possibility of implementing speed cameras on major freeways and highways in the State.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 23 and recommends that it be referred to your Committee on Judiciary & Hawaiian Affairs.

Respectfully submitted on behalf of the members of the Committee on Transportation,

DARIUS KILA, Chair

State of Hawaii House of Representatives The Thirty-third Legislature
