involvement. Your Committee further finds that playgrounds throughout the State should have accessible equipment to ensure that all youth, regardless of any disability, have the opportunity to participate in recreational and social activities. This measure urges the counties to ensure that playground equipment at county parks is inclusive of children with disabilities and are maintained over the long term.

As affirmed by the record of votes of the members of your Committee on Economic Development & Technology that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 58, S.D. 1, and recommends its adoption.

Respectfully submitted on  
behalf of the members of the  
Committee on Economic  
Development & Technology,

GREGGOR ILAGAN, Chair
