

STAND. COM. REP. NO.

2114

Honolulu, Hawaii

APR 15 , 2025

RE: S.C.R. No. 65

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madame:

Your Committee on Economic Development & Technology, to which
was referred S.C.R. No. 65 entitled:

"SENATE CONCURRENT RESOLUTION URGING THE STADIUM AUTHORITY TO
FINALIZE A CONTRACT FOR THE CONSTRUCTION OF THE NEW ALOHA
STADIUM AND TO CONTINUE ITS EFFORTS IN EARNEST TO CREATE THE
NEW ALOHA STADIUM ENTERTAINMENT DISTRICT,"

begs leave to report as follows:

The purpose of this measure is to urge the Stadium Authority
to finalize a contract for the construction of the new Aloha
Stadium and to continue its efforts in earnest to create the New
Aloha Stadium Entertainment District.

Your Committee received testimony in support of this measure
from the Department of Accounting and General Services and Aloha
Hālawā District Partners. Your Committee received comments on
this measure from the Stadium Authority.

Your Committee finds that the development of a new stadium
facility is crucial for supporting athletic events, concerts,
festivals, and other events that will help spur economic growth.
Your Committee further finds that the New Aloha Stadium
Entertainment District (NASED) Project, overseen by the Stadium
Authority, involves the demolition of the existing Aloha Stadium,
design and construction of a new facility, and mixed-use
development of surrounding areas within the district. This

2025-3222 SCR65 HSCR HMSO

measure encourages the timely development and construction of the new stadium facility and continued progress of the NASED Project.

As affirmed by the record of votes of the members of your Committee on Economic Development & Technology that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 65 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Economic
Development & Technology,

GREGGORY ILAGAN, Chair

1HSCR 2114
