 Legal Authority: HRS 201B-10

Contact Name: Talon Kishi
 Phone Number: 808-973-2275
 Fund Type (MOF): B - Special
 Appropriation Account Number: S-355-B

Intended Purpose:

The primary purpose of the Tourism Emergency Special Fund is to provide the Hawai'i Tourism Authority with funds to be used exclusively for the development and implementation of emergency measures to respond to any tourism emergency pursuant to HRS section 201B-9, including providing emergency assistance to tourists during the tourism emergency. Pursuant to HRS 201B-9, use of the tourism emergency fund requires, upon the HTA Board of Directors' request, the Governor to declare that a tourism emergency exists. The primary objective for the tourism emergency fund is to respond to a declared tourism emergency.

Source of Revenues:

HRS 237D, as amended through Act 1, 2021 Legislative Special Session (HB862), provides that TAT funds shall be deposited into the tourism emergency special fund in a manner sufficient to maintain a fund balance of \$5,000,000 in the tourism emergency special fund.

Current Program Activities/Allowable Expenses:

Please see program objectives above. Funds will be utilized, if needed, to develop and implement emergency measures in response to a tourism emergency under declaration by the Governor. On 8/19/23, the Governor declared a tourism emergency in the Sixth Emergency Proclamation related to the Maui Wildfires. In response, HTA developed a \$5,000,000 emergency response plan for Maui, which supported expenditures such as emergency marketing campaigns and community support services.

Variances:

On 8/19/23, the Governor declared a tourism emergency in the Sixth Emergency Proclamation related to the Maui Wildfires. HTA developed a \$5,000,000 emergency response plan for Maui. The plan commenced in FY 2024 and concluded in FY 2025. HTA expects the TEF to be replenished in FY 2026.

Note—TEF funds are administered outside of the State Treasury in BOH checking and investment trust accounts. Previously, HTA couldn't report TEF expenditures to B&F due to a lapsed appropriation. For reporting purposes, HTA requested a new TEF appropriation in FY 2026.

Cash balance lapse to general fund? (Yes / No): No

Statutory language:(a) There is established outside the state treasury a tourism emergency special fund to be administered by the board, into which shall be deposited the revenues prescribed by section 237D-6.5(b) and all investment earnings credited to the assets of the fund.

(b) Moneys in the special fund shall be used exclusively to provide for the development and implementation of emergency measures to respond to any tourism emergency pursuant to section 201B-9, including providing emergency assistance to tourists during the tourism emergency.

(c) Use of the special fund, consistent with subsection (b), shall be provided for in articles, bylaws, resolutions, or other instruments executed by the board as administrator for the special fund.

 Name of Fund: Brownfields Cleanup Revolving Loan Fund (BCRLF)
 Legal Authority: HRS § 201-18 (Act 20, SLH 2007; Act 173, SLH 2002)

Contact Name: Ruby Edwards
 Phone Number: 587-2817
 Fund Type (MOF): W
 Appropriation Account Number S-359-B

Intended Purpose: The BCRLF was established with a \$2 million US EPA grant to provide low-cost loans for the cleanup of eligible contaminated sites. The low-cost loans are intended to facilitate the reuse of sites whose redevelopment is hindered by the potential liability and cost of cleaning up contamination that may harm human and environmental health.

Source of Revenues: A corpus of \$1.977 million in grant funds was available for direct loans. The grant has ended; the primary source of revenue is repayment of loan principal and interest (if interest is charged) and any program fees.

Current Program Activities/Allowable Expenses: Loans for cleanup of contaminated sites. Other program costs related to cleanup, i.e. public notice ads, community involvement and outreach, contracts for technical assistance, DOH VRP fees, confirmation sampling, environmental insurance. Grants for cleanup and site assessment activities are authorized by Act 234, SLH 2021. Once the loan fund rules are amended, the grant program will be initiated. OPSD anticipates issuing a request for proposals in late 3rd quarter-4th quarter of FY26.

Variances: Revenues and expenditures are dependent on loan activity. The program has not received any loan applications in recent years. With the new authority for grants, OPSD anticipates disbursing grant funds until the fund is depleted in the next 2-3 years. At the point, the program will be terminated and the fund repealed.

Fund Type (MOF): W, Revolving

Legal Authority: HRS Chapter 201H Part III B

Statement of Objectives

This fund is expected to provide below market rate mortgage funds for low to moderate-income households in order to assist them in achieving first-time home ownership. However, at this time, plans to issue Single Family Mortgage Bonds are on hold, due to current market conditions. At present, the private sector is offering low mortgage rates that would be very difficult to compete against. If, in the future, the market conditions change; we would again consider issuing our Single Family Bonds and Mortgage Loans.
