| Name of Fund: | State Deferred Compensation Plan Trust Fund | Fund Type (MOF): T |
| Legal Authority: | Section 88E-9, HRS | Appropriation Account Number T-25-999-P |

Intended Purpose:

The Deferred Compensation Plan, an eligible plan under section 457 of the U.S. Internal Revenue Code, is a voluntary tax-deferred supplemental retirement savings plan. The State Deferred Compensation Plan Trust Fund was established in 1983 to separately hold employee contributions and any investment earnings for the exclusive benefit of the participants and their beneficiaries. The Plan is open to all employees who are members of the State's Employees' Retirement System and employed by either the State, County of Hawaii, County of Maui, or County of Kauai.

Source of Revenues:

Participant contributions and changes in the value of the Plan's investment product options.

Current Program Activities/Allowable Expenses:

The fund supports all of the Plan's expenses: daily administration and marketing costs, third-party administrator fees, custodial fees, investment consultant fees, investment product fees, and distributions taken by participants and their designated beneficiaries.

Variances:

Historically, DHRD reports balances consistent with those recorded at the Department of Accounting and General Services (DAGS). However, for FY 2023, DAGS advised DHRD to defer recording of activity while they determined how best to report negative earnings for the Deferred Compensation Plan. Annual activity for the Deferred Compensation Plan and the Part-Time, Temporary, Seasonal/Casual Deferred Compensation Plan is reported together at the same time. If DHRD did report in a manner consistent in timing with previous years, the FY 2023 year-end cash balance would have been \$2,453,117,615. Accordingly, FY 2023 activity was recorded in FY 2024.

Cash balance lapse to general fund? No

Statutory language:

Section 88E-8, HRS Deferred Funds. Sums deferred under the plan, as well as property and rights purchased with such amounts and income attributable to such amounts, shall be held in trust outside the state treasury in accordance with section 457 of the Internal Revenue Code of 1986, as amended, for the exclusive benefit of participants and their beneficiaries.

Intended Purpose

The Deferred Compensation Plan for Part-time, Temporary, and seasona/Casual Employees ("PTS Plan"), is an eligible deferred compensation plan under Sections 457 and 3121 of the U.S. Internal Revenue Code of 1986, as amended. The PTS Plan was established in 1997 as a tax deferred alternative retirement program for part-time, temporary, and seasonal/casual employees of the State (and participating counties) who are not eligible for membership in the Employees' Retirement System. Participation in the PTS Plan is mandatory and there is a mandatory payroll deduction of 7.5 percent of the employee's gross monthly wages (in lieu of social security contributions) that are contributed to the Plan. The employee contributions and interest earned are held in trust for the exclusive benefit of the participants and their beneficiaries.

Participant contributions and changes in the amount of interest earned.
