## A BILL FOR AN ACT

RELATING TO HAWAIIAN LANGUAGE IMMERSION EDUCATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. This Act may be cited as the "Ewa Moku Kula  
2       Kaiapuni Act of 2025".

3       SECTION 2. The legislature recognizes that Article X,  
4       section 4 of the Constitution of the State of Hawaii requires  
5       the State to "promote the study of Hawaiian culture, history and  
6       language", and imposes on the State a duty to "provide for a  
7       Hawaiian education program consisting of language, culture and  
8       history in the public schools".

9       The legislature also recognizes that the Ewa district of  
10      Oahu is experiencing a significant growth in its population, but  
11      lacks a permanent Hawaiian language immersion school that serves  
12      students in grades kindergarten through twelve. However, the  
13      vision of the Ewa Moku education movement is to establish, by  
14      the 2028-2029 school year, a self-contained Kula Kaiapuni  
15      Hawaiian language immersion school in Kapolei that serves  
16      students in those grades. The school would help meet the  
17      growing need and demand for Hawaiian language immersion

1 education in the Ewa District and the neighboring moku of  
2 Waianae and Waialua. This goal is not unattainable, as  
3 evidenced by the Campbell-Kapolei complex area superintendent's  
4 2022 verbal commitment to the Education Ewa Moku Hui Makua to  
5 create such a school within five to seven years.

6 The purpose of this Act is to fulfill the State's  
7 constitutional obligation to provide students with Hawaiian  
8 language education programs by:

- 9 (1) Requiring the department of education to implement a  
10 plan for a Kula Kaiapuni in Kapolei that shall be  
11 ready to educate students in grades kindergarten  
12 through twelve by the 2028-2029 school year; and  
13 (2) Appropriate moneys to the department of education for  
14 the Kula Kaiapuni.

15 SECTION 2. (a) The department of education shall  
16 implement a plan pursuant to this section for a Kula Kaiapuni in  
17 Kapolei that shall be ready to educate students in grades  
18 kindergarten through twelve by the 2028-2029 school year.

19 (b) For the 2025-2026 school year, the department of  
20 education shall:

1           (1)   Secure a temporary site for students of the Kula  
2           Kaiapuni in Kapolei to be placed as follows:  
3           (A)   Elementary: Grades kindergarten (Papa Malaa)   
4                    through 1 (Papa Ekahi); and  
5           (B)   Secondary: Grades 7 through 9; and  
6           (2)   Allocate administrative and teaching positions to  
7           support school operations based on enrollment numbers  
8           of current and potential kaiapuni students that live  
9           in the Ewa, Waialua, and Waianae land districts for  
10          the grades included in paragraph (1).

11          (c)   For the 2026-2027, 2027-2028, and 2028-2029 school  
12   years, the department shall continue the allocation of  
13   administrative and teaching positions and per-pupil funding to  
14   support school operations based on enrollment numbers of current  
15   and potential Kula Kaiapuni students that live in the Ewa,  
16   Waialua, and Waianae land districts; provided that the addition  
17   of students in other grades shall occur as follows:

18          (1)   For the 2026-2027 school year:  
19                  (A)   Elementary: Grades 2 (Papa Elua) and 3 (Papa  
20                            Ekolu); and  
21                  (B)   Secondary: Grade 10;

1 (2) For the 2027-2028 school year:

2 (A) Elementary: Grades 4 (Papa Eha) and 5 (Papa  
3 Elima); and

4 (B) Secondary: Grade 11; and

5 (3) For the 2028-2029 school year:

6 (A) Elementary: Grade 6 (Papa Eono); and

7 (B) Secondary: Grade 12 (Umikumalua).

8 (d) For subsequent school years, the department of  
9 education shall maintain or increase funding allocation based on  
10 current student enrollment numbers.

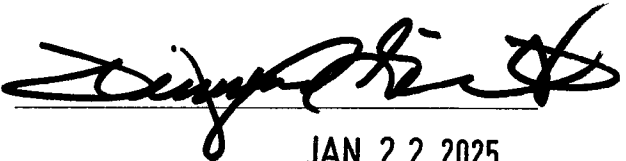

11 SECTION 3. There is appropriated out of the general  
12 revenues of the State of Hawaii the sum of \$ or so  
13 much thereof as may be necessary for fiscal year 2025-2026 and  
14 the same sum or so much thereof as may be necessary for fiscal  
15 year 2026-2027 for the purposes of section 2 of this Act.

16 The sums appropriated shall be expended by the department  
17 of education for the purposes of this Act.

18 SECTION 4. This Act shall take effect on July 1, 2025.
