H.B. NO. ¹⁴³³_{H.D. 2}

A BILL FOR AN ACT

RELATING TO EVICTION MEDIATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. The legislature finds that many Hawaii
 residents continue to face challenges paying their rent. This
 is a problem for both housing providers and tenants because
 tenants risk losing their homes due to nonpayment, and housing
 providers risk losing their property or not keeping up with
 their bills because of the nonpayment.

7 Act 57, Session Laws of Hawaii 2021 (Act 57), encouraged 8 communication and facilitated mediation between housing 9 providers and tenants to help encourage collaborative solutions 10 to this common problem and to avoid evictions when possible. 11 Experience shows that the mediation procedures created by Act 57 12 were widely successful in substantially increasing the number of 13 disputes that were settled in mediation without any eviction 14 cases being filed, as well as increased the number of 15 settlements in which the parties agreed that the tenant could 16 continue to reside in the dwelling unit. However, the

1 amendments to the Residential Landlord-Tenant Code made by Act 2 57 have expired. 3 Accordingly, the purpose of this Act is to encourage 4 residential landlords and tenants to engage in conversations 5 early, as soon as a tenant knows they are not able to make their 6 full rental payment by: 7 (1)Establishing a pilot program that adopts the most 8 effective provisions of Act 57 that: 9 (A) Extends the period for a notice of termination of 10 the rental agreement from five business days to 11 ten calendar days; 12 (B) Requires all residential landlords and tenants to 13 engage in early mediation and delay filing an 14 action for summary possession if a tenant 15 schedules a mediation; (C) Requires residential landlords and tenants to be 16 17 responsible for their own attorney's fees and costs in prelitigation mediation. If the tenant 18 19 defaults on a mediated agreement, the landlord 20 may file for summary possession and payment of
