
HOUSE RESOLUTION

URGING THE STATE OF HAWAII AND CITY AND COUNTY OF HONOLULU TO
COLLABORATE IN THE DEVELOPMENT OF A WORLD-CLASS,
COMPREHENSIVE SPORTS COMPLEX IN WEST OAHU.

1 WHEREAS, sports play an important role in the health and
2 wellbeing of individuals in Hawaii and around the world; and
3

4 WHEREAS, at the national and international level, sports
5 can be a unifier and a means for persons from different
6 communities, states, and nations to come together and celebrate
7 who they are, what they represent, and what they value; and
8

9 WHEREAS, Hawaii's warm and relatively consistent climate
10 allows for outdoor sports and training to be conducted all year,
11 making the State an excellent choice for tournaments and sports
12 training; and
13

14 WHEREAS, Hawaii's location makes it an ideal place for
15 sports teams from around the Asia-Pacific region to train and
16 compete at a world-class, comprehensive sports complex; and
17

18 WHEREAS, West Oahu is one of the fastest-growing areas in
19 the State and is a perfect community in which to construct a
20 sports complex; and
21

22 WHEREAS, the City and County of Honolulu and the State of
23 Hawaii each control large parcels of land in West Oahu that
24 could potentially accommodate a sports complex, including
25 certain lands in the Kunia area adjacent to the H-1 Freeway and
26 mass transit stations; and certain parcels adjacent to Coral Sea
27 Road in Kapolei; and
28

29 WHEREAS, the complex ideally should be two hundred to
30 four hundred acres or more in area and should include facilities
31 and equipment to accommodate a variety of indoor and outdoor
32 sports, including a stadium having a capacity for at least

1 sixty-five thousand spectators; at least four football or soccer
2 fields with running tracks; at least four softball or baseball
3 fields; and appropriately-sized sporting arenas with facilities
4 for boxing, gymnastics, weight-lifting, dancing, hula, swimming,
5 and other sports and activities; and

6
7 WHEREAS, the complex should also include any necessary
8 ancillary facilities required to support the needs of the
9 individuals and teams using the sports complex, including
10 facilities for sports medicine, rehabilitation, education,
11 weightlifting, and team accommodations, thereby allowing the
12 complex to be a one-stop location to serve all of the complex
13 users' needs; and

14
15 WHEREAS, the complex should also host a Pacific Culture
16 Center, in which Hawaii residents and visitors can share their
17 cultures with each other through exhibits, classes, and
18 performing arts; and

19
20 WHEREAS, because the sports complex will be built to bring
21 together people from across the Asia-Pacific region, it presents
22 a unique opportunity to involve private and public entities from
23 across the region to partner in the complex's development and
24 providing most of the capital required for the complex's
25 development; and

26
27 WHEREAS, in addition to international partners, public and
28 private entities from across the United States, including the
29 federal government, may also wish to partner in this endeavor;
30 and

31
32 WHEREAS, these partnerships will allow construction of the
33 sports complex with a smaller initial capital investment by the
34 State and its political subdivisions, while also reducing risk
35 to taxpayers in the long-run; and

36
37 WHEREAS, once the complex opens to the public, revenue from
38 visitors, including facility users and spectators, will generate
39 moneys to cover operation and maintenance expenses; and
40

1 WHEREAS, accordingly, this facility will have the potential
2 to not only be financially self-sustaining but also to be a
3 significant revenue generator for the State, City and County of
4 Honolulu, and local businesses and residents; and
5

6 WHEREAS, the sports complex will advance Hawaii's position
7 as a true place of international exchange, taking advantage of
8 the State's location at the crossroads of the Pacific, while
9 also stimulating economic growth, increasing Kapolei's standing
10 as Oahu's second city, and enhancing the quality of life for
11 West Oahu residents; now, therefore,
12

13 BE IT RESOLVED by the House of Representatives of the
14 Thirty-third Legislature of the State of Hawaii, Regular Session
15 of 2025, that the State of Hawaii and City and County of
16 Honolulu are urged to collaborate in the development of a
17 state-of-the-art sports complex in West Oahu; and
18

19 BE IT FURTHER RESOLVED that the sports complex be developed
20 in partnership with public and private partners from across the
21 United States and the Asia-Pacific region; and
22

23 BE IT FURTHER RESOLVED that the complex provide
24 opportunities for international athletes to compete and train in
25 a variety of different sports while also including space for
26 culture and arts exchange; and
27

28 BE IT FURTHER RESOLVED that Hawaii's congressional
29 delegation work with the State and City and County of Honolulu
30 to identify potential partners for this endeavor; and
31

32 BE IT FURTHER RESOLVED that the Office of the Governor and
33 the Office of the Mayor of the City and County of Honolulu are
34 requested to study the feasibility of the development of a
35 comprehensive, world-class sports complex in West Oahu and
36 submit a report of its findings and recommendations, including
37 any proposed legislation, to the Legislature no later than
38 twenty days prior to the convening of the Regular Session of
39 2026; and
40

1 BE IT FURTHER RESOLVED that the report identify locations
2 in Kunia or Kapolei for the sports complex and any actions
3 required to secure those locations for the complex, including
4 land acquisitions, leases, and district boundary amendments; and
5

6 BE IT FURTHER RESOLVED that certified copies of this
7 Resolution be transmitted to the Governor, Mayor of the City and
8 County of Honolulu, and members of Hawaii's congressional
9 delegation.
