# A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF LAW ENFORCEMENT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. The legislature finds that, in a 2019 report,  
2 the United States Department of Agriculture found that  
3 agricultural theft and vandalism and the expense of security  
4 measures to prevent these crimes in the State cost farmers  
5 roughly \$14,400,000. In 2020, the Hawaii department of  
6 agriculture reported sixty-six cases of felony agricultural  
7 theft, thirty cases of trespassing, and forty-eight other  
8 related offenses in Hawaii county.

9       In 2024, a rancher was killed in a confrontation on Oahu,  
10 allegedly stemming from trespassing onto the rancher's property.  
11 This incident highlights the heightened opportunity for violent  
12 crimes to occur when weapons are present during disputes on  
13 farms and ranches.

14       The legislature further finds that agricultural crime is  
15 likely underreported throughout the State. The rural locations  
16 of ranches and farms can make it challenging for law enforcement  
17 agencies to timely respond to reports, especially agencies that

1 may be understaffed or do not prioritize agricultural crimes  
2 compared to other violent and property crimes. Consequently,  
3 the ability to prevent, investigate, and prosecute agricultural  
4 crimes statewide must be prioritized to ensure community safety  
5 on all islands.

6 The legislature recognizes that there is a recruitment  
7 challenge within the department of law enforcement, including  
8 the ability to recruit new law enforcement officers to serve in  
9 specific and identified areas of law enforcement. One solution  
10 to increase the pool of law enforcement candidates is to  
11 authorize individuals, including volunteers, who have aloha  
12 (love) or kuleana (responsibility) for the agricultural  
13 community to help with the deterrence, investigation, and  
14 enforcement of laws and rules directly relating to agricultural  
15 crimes and make a difference in the agricultural community in  
16 the State.

17 Accordingly, the purpose of this Act is to:

- 18 (1) Establish an agricultural enforcement program within  
19 the department of law enforcement;  
20 (2) Establish the agricultural enforcement special fund;  
21 and

1           (3)   Appropriate funds for and establish positions within  
2                   the agricultural enforcement program.

3           SECTION 2. Chapter 353C, Hawaii Revised Statutes, is  
4 amended by adding two new sections to be appropriately  
5 designated and to read as follows:

6           "§353C-A   Agricultural enforcement program.   (a) There is  
7 established within the department an agricultural enforcement  
8 program. The department shall employ or appoint, and remove,
