

MAR 07 2025

SENATE CONCURRENT RESOLUTION

REQUESTING THE AUDITOR TO ASSESS THE SOCIAL AND FINANCIAL
EFFECTS OF MANDATING HEALTH INSURANCE COVERAGE FOR HEARING
AIDS.

1 WHEREAS, according to the National Institutes of Health,
2 about one-third of Americans between the ages of sixty-five and
3 seventy-five, and approximately one-half of those older than
4 seventy-five, have some degree of hearing loss; and
5

6 WHEREAS, one digital hearing aid can cost \$3,000 or more,
7 and because about fifty percent of childhood hearing loss is due
8 to genetic causes, more than one member in a family may need to
9 wear hearing aids, thereby multiplying the financial burden of
10 purchasing hearing aids; and
11

12 WHEREAS, while most health insurance plans in Hawaii cover
13 the purchase of hearing aids, the amount of coverage may be low,
14 leaving the patient with a large copayment; and
15

16 WHEREAS, it is not unusual for people with hearing loss to
17 choose to delay or forgo the purchase of hearing aids because
18 they are unable to pay for them; and
19

20 WHEREAS, pursuant to section 23-51, Hawaii Revised
21 Statutes, before any legislative measure that mandates health
22 insurance coverage for specific health services, specific
23 diseases, or certain providers of health care services as part
24 of individual or group health insurance policies can be
25 considered, there shall be a concurrent resolution passed that
26 designates a specific legislative measure for the Auditor to
27 review and on which to prepare a report for submission to the
28 Legislature that assesses both the social and financial effects
29 of the proposed mandated coverage; and
30

31 WHEREAS, the Legislature adopted S.C.R. No. 34, S.D. 1
32 (2014), which requested the Auditor to assess the social and

1 financial effects of mandating health insurance coverage for
2 hearing aids, as proposed in S.B. No. 309, S.D. 1 (2014); and
3

4 WHEREAS, pursuant to Report No. 14-10, dated October 2014,
5 the Auditor determined that S.B. No. 309, S.D. 1 (2014), lacked
6 certain coverage parameters, including the frequency for
7 replacement or costs to be covered by insurers for hearing aids;
8 and
9

10 WHEREAS, in response to the Auditor's report, S.B. No.
11 2439, S.D. 2 (2022) (S.B. No. 2439), proposed a minimum coverage
12 benefit of \$1,500 per hearing aid for each hearing-impaired ear
13 every thirty-six months; and
14

15 WHEREAS, the Legislature adopted S.C.R. No. 61, S.D. 1,
16 H.D. 1 (2022), which requested the Auditor to perform a social
17 and financial assessment of mandatory health insurance coverage
18 for hearing aids as proposed in S.B. No. 2439, as required by
19 section 23-51, Hawaii Revised Statutes; and
20

21 WHEREAS, the Office of the Auditor ceased work on its
22 assessment of S.B. No. 2439, pursuant to communication from the
23 Legislature's Kupuna Caucus that the assessment was unnecessary;
24 and
25

26 WHEREAS, relevant stakeholders, including the legislator
27 who introduced the measure or the Deaf and Blind Task Force,
28 were not consulted on the reasoning for the Auditor's ceasing
29 work on the assessment of S.B. No. 2439; and
30

31 WHEREAS, S.B. No. 1494, introduced during the Regular
32 Session of 2025, contains specific coverage parameters that
33 requires health insurers, mutual benefit societies, and health
34 maintenance organizations to provide coverage for hearing aids,
35 subject to a minimum benefit of \$1,500 per hearing-impaired ear
36 every thirty-six months; and
37

38 WHEREAS, pursuant to section 23-51, Hawaii Revised
39 Statutes, an updated social and financial assessment by the
40 Auditor analyzing the specific, mandatory health insurance
41 coverage parameters proposed in S.B. No. 1494, Regular Session
42 of 2025, is warranted; now, therefore,

1
2 BE IT RESOLVED by the Senate of the Thirty-third
3 Legislature of the State of Hawaii, Regular Session of 2025, the
4 House of Representatives concurring, that the Auditor is
5 requested to conduct an assessment, pursuant to sections 23-51
6 and 23-52, Hawaii Revised Statutes, of the social and financial
7 effects of mandating health insurance coverage for hearing aids,
8 as proposed in S.B. No. 1494, which was introduced during the
9 Regular Session of 2025; and

10
11 BE IT FURTHER RESOLVED that the Auditor is requested to
12 include the following as part of the assessment:

- 13
14 (1) The number of residents in the State in the target
15 population who suffer hearing loss based on national
16 prevalence rates, to determine who may be impacted by
17 the cost of hearing aids;
18
19 (2) A determination of the current standard for frequency
20 of replacement of hearing aids and the cost
21 limitations, if any, placed on the hearing aid
22 coverage benefit, by researching public and private
23 entities that provide coverage for hearing aids,
24 including but not limited to Medicare, Medicaid,
25 health plans in Hawaii, and individuals who need, use,
26 or otherwise experience the need for hearing aids;
27
28 (3) Whether different standards for frequency of
29 replacement are applied to adults in comparison to
30 minors in need of hearing aids;
31
32 (4) An examination of the existing medically necessary
33 standards of care used to determine what type of
34 hearing aid best suits an individual with hearing
35 loss; and
36
37 (5) An examination of the existing technology in hearing
38 aids and possible future technology; and
39

40 BE IT FURTHER RESOLVED that the Auditor is requested to
41 adhere to any request for a social and financial effect
42 assessment pursuant to the passage of a Concurrent Resolution

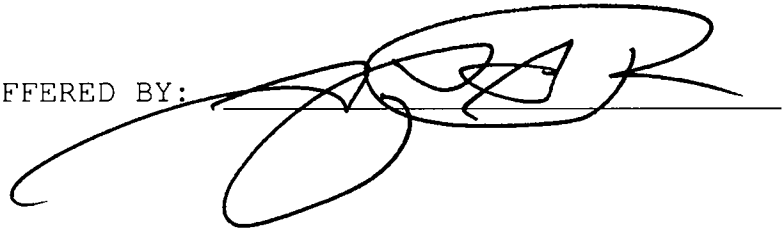

1 and disregard requests to cease the assessment by any individual
2 or entity other than the Legislature acting as a whole; and
3

4 BE IT FURTHER RESOLVED that the Auditor is requested to
5 submit a report of its findings and recommendations, including
6 any proposed legislation and updates to Report No. 14-10, to the
7 Legislature no later than twenty days prior to the convening of
8 the Regular Session of 2026; and
9

10 BE IT FURTHER RESOLVED that certified copies of this
11 Concurrent Resolution be transmitted to the Auditor and
12 Insurance Commissioner.
