1 WHEREAS, the State of Hawaii is currently facing a severe  
2 housing crisis, with a 2019 study commissioned by the Department

9 County required 10,404 new units, and Kauai County required  
10 4,281 new units; and

13 exacerbated by a sharp rise in mortgage and construction  
14 financing costs, including an increase in the average thirty-  
15 year fixed residential mortgage interest rate from 3.11 percent  
16 in December 2021 to 6.42 percent in December 2022 and an  
17 increase in the one-month term of the secured overnight  
18 financing rate from 0.05 percent to 4.30 percent over the same  
19 period; and  
20

21 WHEREAS, to address this issue, the Legislature enacted Act  
22 31, Session Laws of Hawaii 2024 (Act 31), which requires the  
23 counties to issue housing credits for housing units that are  
24 constructed under the various programs of the Hawaii Housing  
25 Finance and Development Corporation; and

1  
2 WHEREAS, Act 31 is set to be repealed on July 1, 2031,  
3 which is causing uncertainty regarding whether housing projects  
4 that were approved before July 1, 2031, would still be eligible  
5 for housing credits after that date; and  
6

7 WHEREAS, there is a need to clarify the intentions of the  
8 Legislature regarding the application of Act 31 to housing  
9 projects approved before July 1, 2031; now, therefore,  
10
