REQUESTING THE COMPTROLLER TO COOPERATE WITH THE HAWAII STATE
PUBLIC LIBRARY SYSTEM TO IDENTIFY RURAL AND UNDERSERVED
COMMUNITIES IN THE STATE WITH A NEED FOR BETTER
TELECOMMUNICATION ACCESS FOR RESIDENTS TO PARTICIPATE IN
THE STATE LEGISLATIVE PROCESS.

1 WHEREAS, providing access for residents to participate in
2 the state legislative process is a basic right of citizenship in
3 the State and should continue to be a priority; and
4

5 WHEREAS, ensuring equitable access to the legislative
6 process for nearly four hundred fifty thousand residents on the
7 neighbor islands, as well as those in rural O'ahu, is essential
8 to strengthening civic engagement, enhancing the effectiveness
9 of the legislative process, and ensuring fair and accurate
10 representation on issues impacting the entire State; and
11

12 WHEREAS, with the rising costs of airfare, gas, and
13 lodging, providing designated locations or state offices on
14 neighbor islands and in rural O'ahu where citizens can
15 participate remotely in the legislative process will help reduce
16 the financial burden of participation and further boost civic
17 engagement; and
18

19 WHEREAS, the Hawaii State Public Library System has long
20 provided the public with internet access, including the
21 deployment of sixteen Chromebooks and charging stations to each
22 of its libraries statewide in response to the COVID-19 pandemic
23 in 2020--at a time when most businesses and government offices
24 remained closed--to enhance existing technology and ensure
25 continued public connectivity; and
26

27 WHEREAS, with a network of fifty-one libraries across the
28 State, the Hawaii State Public Library System has the
29 infrastructure and resources to support public access to the
30 Internet and videoconferencing, making it uniquely positioned to
31 assist individuals in participating in the legislative process;
32 now, therefore,
33
