## II. Application for Grants

### A Brief Description of the Applicant's Background:

Founded in 1954, the *Arc of Hilo* is one of Hawai'i Island's first non-profit agencies serving youth and adults with disabilities. For several decades, the agency was known as *Big Island Association to Help Retarded Children*. On November 13<sup>th</sup>, 1995, the agency formally changed its name to the *Arc of Hilo*, to better reflect its important role serving youth and adults in integrated, community-based services, as a chapter of the national ARC. For 68 years, the Arc of Hilo has served thousands of youth and adults with disabilities, as we continue to fulfill our mission to enrich lives and build greater self-sufficiency through employment, community integration, and residential housing and supports.

- ▶ Currently, the Arc of Hilo is proud to be Hawai'i Island's largest employer of adults with disabilities, with over 65 individuals with disabilities employed through our commercial services contracts with county, federal and corporate partners, and over 100 worksites providing meaningful work through landscape maintenance, janitorial services, and commercial laundry to medical, dental, vision and hospitality customers. Our customers include Hilo Benioff Medical Center, University of Hawaii, Mauna Loa Macadamia Nuts, Kamehameha Schools, Smithsonian Institute, Parks and Recreation, Vision Center, Spectrum, The Lyman Museum, and many more. We're proud to have paid out almost half a million dollars in wages to our participants last year, helping them achieve greater self-sufficiency and independence.
- ▶ The Arc also provides Adult Day Health services to seniors and adults with disabilities who cannot work, have retired from employment, or desire a socially-enriched community integrated program where they can feel fulfilled. During the pandemic, most participants were home-bound for about one year, until the program re-opened in May, 2021.
- ▶ The Arc provides Personal Attendant services, and Community Living Supports, where our staff help participants in their home, and access their community.
- ▶ The Arc provides low-income housing to seniors and adults with disabilities, through 55 units in three apartment buildings owned by the Arc and operated by Big Island Housing Foundation.
- ▶ The Arc of Hilo is also focused on our island's youth, with our School-to-Work transition program Career Exploration launched in 2021, called Career Exploration, in partnership with east Hawaii high schools including Kea'au-Paho-Kau, Hilo-Waiakea, and charter schools such as Connections and Volcano Arts and Sciences.
