A treasured beachfront sanctuary for youth, families and generations to come. But being just steps from the ocean brings unique challenges, if allocated the grant for this project, it will allow us to continue the upkeep of Camp Naue's infrastructure and green areas to provide a safer and cleaner environment for thousands of people that utilizes Camp Naue year-round. Continuing to build strong kids, strong families, and a strong community through the community camps that take place at Camp Naue.

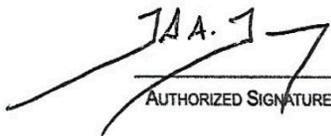

Thank you,

### **II. Background and Summary**

**This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:**

#### **1. A brief description of the applicant's background;**

Across the nation, YMCAs are committed to helping children and youth deepen positive values, their commitment to service and their motivation to learn. Families build stronger bonds, spend time together and become more engaged with their communities. Driven by the YMCA mission "To put Christian principles into practice through programs that build healthy spirit, mind, and body for all" individuals strengthen their spiritual, mental and physical well-being.

The YMCA of Kaua'i is a charitable non-profit organization, qualifying under section 501 (c) (3) of the U.S. tax code that has operated continuously since 1916.

YMCA of Kaua'i has operated in a manner consistent with the values of caring, honesty, respect, and responsibility, is governed by committed, well-trained, well-informed volunteers and operated so that programs are accessible and affordable to all sections of the community.

YMCA Camp Naue consists of 4 acres of beach front property donated to the YMCA of Kaua'i in 1926 by McBryde Sugar Mill company. Camp Naue is a very special place, it is known for its beach front bunkhouses surrounded by mountains with cascading waterfalls. Situated along the North Shore in the heart of Hā'ena, this deeply rooted community Camp has welcomed generations of keiki, 'ohana, and local groups to connect with nature, with each other, and with a sense of kuleana and connection. It is the focus of family camps, youth camps, outdoor education, and numerous church and club gatherings on Kaua'i. Over the years some of the groups that have enjoyed Camp Naue are Island School, Rotary Club, Kauai Christian Fellowship, Aloha Schools, various Hawaiian culture-based charter schools statewide, Boys and Girls Scouts, and Camp Agape, to name a few.

Camp Naue also has served as an emergency center, helicopter landing zone for rescue, supply drops, utility workers and other emergency operations and distribution in the April Flooding of 2018 and after Hurricane Iniki back in the early 1990's.

Since the change in caretakers for YMCA's Camp Naue, back in October 2016, there's been significant clearing of invasive trees with the goal of one day doing a native plant reforestation project. After believed to be lost from Naue forever from the tidal waves devastation, the Director of Limahuli Garden and Preserve Lei Wann, and her very inspiring story, was able to locate the original, DNA matched Hala of Naue, and they nursed the descendants from it. With their collaboration, a grove of 27 Hala's, have been planted at YMCA Camp Naue and an agroforest started, to allow us to step back in time, before gps, where story tells that's how the Hala of Naue was used as a landmark to announce to people from other places that they had made it to Hā'ena. And as David Bryant, Director of Communications for the National Tropical Botanical Garden, said: "These leaves are literally woven into Hawaiian culture".

It's just one more reminder of YMCA's Camp Naue cultural significance not only as landmark for Haena, but a place known for cultural gathering and countless stories of participating in YMCA Camp Naue's camps throughout history and generations to come.

**2. The goals and objectives related to the request;**

The goal of the operational cost planned to be cover with this financial support is for YMCA Camp Naue to be able to continue to support, serve and receive in a safe and clean matter an estimate of over 7500 people that enjoy the use of this facility throughout a year.

The objectives to ensure YMCA Camp Naue can fulfill these services through the year are:

- Green areas maintenance
- Buildings getting the proper paint maintenance needed
- Maintenance cleaning
- That coconuts get trim so it's safe for Camp Naue's guest to be around them
- Provide needed cleaning/pruning maintenance to the Hala grove (properly clean each plant as instructed)
- Maintain irrigation system
- Kamani trees and hedges yearly trimming
- Maintain the equipment that supports this said maintenance
- Upkeep with pest control
- Supply cleaning supplies
- Fix up small maintenance needs as they come, like strengthen picnic tables or mend hoses
- Be able to maintain and replace lights on the entire property
- To have a contingency fund for accidental damages and unforeseen circumstances
- To open 3 lodging grant opportunity for 3 keiki/youth groups-teams (it will cover three, three nights stays so they can plan a Camp experience)
- To cover newly installed free starlink wi-fi for the guest year round
- To be able to maintain the septic system and pump out as needed

**3. The public purpose and need to be served;**

The benefit for the community that utilize YMCA Camp Naue for their different activities is to provide them with safe and clean facilities in a healthy environment and at a culturally significant location.

For almost 100 years, Camp Naue has given the community a place to gather from weavers, meetings, retreats, first responder hub during emergencies, family parties, school groups and other entities, over 7500 people a year uses these facilities.

Camp Naue is also proud to keep providing, through great efforts, a completely smoke and drug free environment where youth can thrive.

**4. Describe the target population to be served; and**

YMCA Camp Naue mostly host people from all Islands and some groups from the mainland specially schools. From keiki to kūpuna, family reunions, cultural groups, schools and churches.

Camp Naue host neighborhood meetings and has served as emergency hub as needed for first responders.

As a cultural landmark it benefits everyone that drives by Camp Naue and can see the important Hala of Naue grove.

**5. Describe the geographic coverage.**

We serve people from all islands and around the world.

Supplies needed will be purchased once funds are allocated, starlink subcription will be covered. A maintenance schedule will be managed by Camp Naue caretakers and reports will be made to the Director of YMCA of Kaua'i, records and accounts will be kept as maintenance and expenses occur.

**V. Experience and Capability**

1. Necessary Skills and Experience

The applicant shall demonstrate that it has the necessary skills, abilities, knowledge of, and experience relating to the request. State your experience and appropriateness for providing the service proposed in this application. The applicant shall also provide a listing of verifiable experience of related projects or contracts for the most recent three years that are pertinent to the request.

As previously mentioned the YMCA caretakers' construction, project management on public works, and sociology background and the years of experience overseeing other Camp Naue projects as well as seeing over the daily needs of the Camp, this all provides them with the necessary skills, abilities and knowledge to oversee the proposed maintenance included on this request and they will answer directly to YMCA of Kaua'i Director Tom Tannery, Phd. Who in turns answers to the YMCA of Kaua'i Board of Directors.

Contracts do not apply for the last 3 years. The last grant allocated to Camp Naue and the last grant Camp Naue applied for was in 2019, through Kaua'i Community Foundation, after the historical floods and with that was able to install new roofs for the bunkhouses and dining hall, new windows for the bunkhouses and a lift to the inside of the bunkhouses with new paint and mattresses covers. At the time through United Way donation to Camp Naue, the dining hall received a full paint lift as well.

Maintenance has been sustained through resilience and thanks to ongoing support from local volunteers and donors, Camp Naue has seen decades worth of renovations and improvements in the last 10 years. From repairing aging cabins to upgrading kitchens and bathrooms, every effort reflects the community's love and commitment to this place. But the salt air and humidity wear down Camp Naue's very aged buildings fast and it's regular maintenance would really slow down the aging process on the buildings and with the new reforestation project the green areas need more time than the volunteers can provide.

## **2. Facilities**

**The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.**

YMCA of Kaua'i, owns, the land and buildings designated for the project. It's a 4 acre property and has 2 bunkhouses that hold 50 people, 1 kupuna cottage, 1 dinning hall, 1 pavillion, 1 mini pavilion, 1 bathroom building and 1 caretaker house.

Being just steps from the ocean brings unique challenges to Camp Naue facilities: salt air and humidity wear down building and materials, flooding and erosion require constant mitigations, vegetation overgrowth demands regular clearing and care, yet even in the face of nature's force, Camp Naue remains a place of service and refuge.

## **VI. Personnel: Project Organization and Staffing**

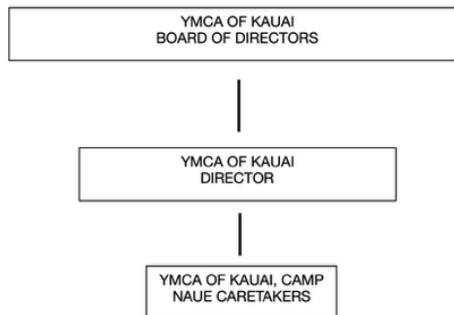

### **1. Proposed Staffing, Staff Qualifications, Supervision and Training**

**The applicant shall describe the proposed staffing pattern and proposed service capacity appropriate for the viability of the request. The applicant shall provide the qualifications and experience of personnel for the request and shall describe its ability to supervise, train and provide administrative direction relative to the request.**

The YMCA of Kauai is governed by a volunteer Board of Directors. Leading the organization is the Director Thomas A Tannery, Phd, who reports to the board. The caretakers at YMCA Camp Naue, Barama Osothsongkroh and Nice Chinchilla, will be overseeing the projects and reporting to the Director as they are on site.

## **2. Organization Chart**

**The applicant shall illustrate the position of each staff and line of responsibility/supervision. If the request is part of a large, multi-purpose organization, include an organization chart that illustrates the placement of this request.**

## **3. Compensation**

**The applicant shall provide an annual salary range paid by the applicant to the three highest paid officers, directors, or employees of the organization by position title, not employee name.**

1. CEO \$75,000.00 - \$99,000.00
2. Aquatic Director \$50,000.00 - \$75,000.00
3. Office Manager \$30,000.00 - \$50,000.00

## **VII. Other**

### **1. Litigation**

**The applicant shall disclose any pending litigation to which they are a party, including the disclosure of any outstanding judgement. If applicable, please explain.**

N/A

### **2. Licensure or Accreditation**

**The applicant shall specify any special qualifications, including but not limited to licensure or accreditation that the applicant possesses relevant to this request.**

YMCA of Kauai is a non-profit 501 (c)(3) incorporated in the State of Hawai'i and registered with the State of Hawai'i Department of Consumer Affairs

### **3. Private Educational Institutions**

**The applicant shall specify whether the grant will be used to support or benefit a sectarian or non-sectarian private educational institution. Please see [Article X, Section 1, of the State Constitution](#) for the relevance of this question.**

N/A

### **4. Future Sustainability Plan**

**The applicant shall provide a plan for sustaining after fiscal year 2027 the activity funded by the grant if the grant of this application is:**

- (a) Received by the applicant for fiscal year 2027, but**
- (b) Not received by the applicant thereafter.**

If YMCA Camp Naue received this support it will be able to accomplish the needed yearly maintenance to provide a better environment for the community that utilizes YMCA Camp Naue. If the grant cannot be received thereafter YMCA Camp Naue would continue to pursue funding through grants or private donors and volunteers to secure that the needed maintenance will be done.

From campfire nights to emergency helicopter landings—  
Camp Naue continues to serve Kaua'i in times of joy and need.

Over the years, Camp Naue has become more than a camp --  
it's a vital part of Kaua'i's community infrastructure.

Thanks to ongoing support from local volunteers and donors,  
Camp Naue has seen decades worth of renovations and  
improvements in the last 10 years. From repairing aging  
cabins to upgrading kitchens and bathrooms, every effort  
reflects the community's love and commitment to this place.

### But the work never stops.

**Being just steps from the ocean brings unique challenges:**

Salt air and humidity wear down buildings and materials  
Flooding and erosion require constant mitigation  
Vegetation overgrowth demands regular clearing and care  
Yet, even in the face of nature's force, Camp Naue remains a  
place of service and refuge.

During the devastating North Shore floods, Camp Naue  
became a hub for emergency response—offering shelter to  
displaced families, and even serving as a helicopter landing  
zone for rescue, supply drops, utility workers and other  
emergency operations.
