FOREWORD

This publication contains important information concerning the bills passed by the Hawaii State Legislature during the Regular Session of 2026, which adjourned *sine die* on May 8, 2026. This publication supplements the publication entitled "Bills Passed by the Hawaii State Legislature, Regular Session of 2026," which was issued by the LRB Systems Office in May 2026 and contains a brief description of each bill passed during the 2026 session.[1]

This report consists of the following resources:

(1) A preliminary index that contains a topical listing of the bills passed during the Regular Session of 2026 under broad and general subject matter categories;

(2) A table of "Laws Affected by Bills Passed" that shows sections of the Hawaii Revised Statutes, Session Laws of Hawaii, Hawaiian Homes Commission Act, 1920, and Hawaii Constitution that are affected by bills passed during the Regular Session of 2026. It also includes a listing of new chapters of the Hawaii Revised Statutes. This table reflects information from the final draft of every bill passed by the Legislature during the Regular Session of 2026; and

(3) A table of "Status of Bills Passed by the Legislature" that provides a listing of bills passed and includes the Act number and approval date, if any, and appropriate committee report numbers.

This publication includes Act numbers and approval dates for bills that have been signed into law or vetoed by the Governor as of June 23, 2026. Act numbers and approval dates for any bills enacted after that date may be obtained through the Legislature's website at https://www.capitol.hawaii.gov. The Governor has until July 15, 2026, to consider bills for approval.[2]
